The Slutzker Center for International Services Welcomes all New and Returning International Students and Scholars!

Dear Students and Scholars,

As you open this first newsletter of the Fall Semester 2011, I would like to urge you to review it carefully and read those articles which might be relevant to you. We choose articles based upon the needs and questions students have presented to us daily, weekly, and annually. We answer the questions you ask before you ask them! Also included are warnings about safety issues, scams, parking and traffic concerns, and other aspects of your life as a student in Syracuse. If you at least spend 3 minutes reviewing the titles of all the articles each week, you will find that you will be well informed and know what is happening on campus and in the community! We appreciate your attention to this important part of the communication and education process in which you are engaged as a student in our community.

We wish you a very successful semester!

Sincerely,

Dr. Patricia Burak

New students - If you haven't already checked in with the Slutzker Center, please remember to do so immediately.

Full-time Course of Study

NOTE: For Syracuse University F-1 students, a full-time course load is required during the Fall and Spring semesters. Full time enrollment means **Graduate** students must enroll for at least **9 credits** every semester. **Undergraduate** students must register for at least **12 credits** every semester. Students are not required to enroll in courses during the Summer. However, **if Summer session is your first semester** then you must maintain full time enrollment of at least 6 credits for that summer session.

Under Federal Immigration Rules, **to maintain F-1 status, no more than 3 online credits per semester may count towards the "full course of study" requirement.** For example, a graduate student required to register for 9 credits per semester to maintain full time status can take only 3 of those credits through an on-line class each semester – **6 credits must be live, in classroom courses.**

However, an F-1 student can take as many on-line or distance education as they wish (with SCIS's approval) during the Summer or over Winter break.

If it is your last semester and fewer than 12 credits are required to graduate for undergrads and 9 credits for grads; it is acceptable to carry only those credits required to complete your degree. **If a student needs less than a full course load in the final semester to finish his/her degree, the course(s) cannot be taken solely online or as distance education. You must be enrolled in a live, in classroom course during your last semester.**

Students considering on-line courses or courses at a different institution should first discuss the plan with an SCIS advisor. It is necessary to maintain valid F-1 status at all times.

If you are taking less than 9 credits this semester you must fill out a Certificate of Full-Time Status http://international.syr.edu/documents/forms/full_time_status_certification-Jan04.pdf

If this is your last semester you will have to fill out the Last Semester Memo <http://international.syr.edu/documents/forms/2008lastsemestermemo-su.pdf>

Housing Update : Address Change

[Back>>](#)

Address Change?

All International Students and Scholars that will be moving into their new on-campus and off-campus housing must update their US Address where you will be living during this Fall semester via your "MySlice self-service" and select CURR address. You must update your address immediately in order to be in compliance with the Immigration Regulations. If you do not update your address we will not be able to register your record with SEVIS and you will be jeopardizing your Immigration requirements to comply with reporting changes of addresses while you are here in the USA studying at Syracuse University.

Please always update your address within 10 days of your move on MySlice.

MEETING YOUR HEALTH REQUIREMENTS

Please be certain that you are currently enrolled in an approved health insurance policy for the upcoming 2011 – 2012 academic year. If you have renewed or changed your health insurance please provide the Slutzker Center with an updated copy of it via e-mail lescis@syr.edu or in person. If you have questions, or need helping enrolling in an approved health insurance policy, please make an appointment with an adviser at the Slutzker Center, or see Linda Deon at the Health Center for assistance.

Syracuse University Health Services has determined that many international students are not in compliance with immunization requirements defined by New York State public health law. Enrolled students found not to be in compliance risk strict administrative consequences including **inability to register, suspension of I.D. card privileges, and may be required to leave campus.**

You must be in compliance with these immunization requirements in order to remain on campus.

The Health Service will be sending an email to all those who are not in compliance via the syr.edu email address. Please watch for that notice (check your syr.edu email address!). If your registration is cancelled, you will also lose your F-1 or J-1 student status. Don't put yourself at risk. Contact the Health Service as soon as you receive that email!

Important Reminders

A Reminder About Optional Practical Training EAD Cards

F-1 students who have obtained authorization for Optional Practical Training from the USCIS are reminded to please email a copy of their EAD cards (front + back) to the SCIS at lescis@syr.edu so that we can keep a copy for your files. Having a photocopy in the SCIS could become very important to you in the future, if we need to verify your F-1 status or if the card is lost or stolen.

Important Reminder from Human Resources

International students who have jobs on campus (GA positions, TA positions, RA positions and hourly wage assignments) are reminded to be sure to copy the appropriate Human Resources Office on campus for any change of U.S. address. Be sure to look at your address on your most recent pay stub. If it is not accurate, report it to your department or office where you work so that the address can be updated by your department. If you are on any payroll, your change of address is needed so that you can receive your W-2 Wage and Tax Statement forms in late January, as well as any checks that may be coming to you if you are leaving at the end of this semester.

Also, if you have obtained a social security number since starting work, it is essential that you report your social security number to your payroll office for W-2 purposes. If you are uncertain whether or not this is a problem for you, check your most recent pay stub, and look to see if your social security number as well as your current address are included properly.

The Office of Off-Campus and Commuter Services Welcomes You to the Neighborhood

The Office of Off-Campus and Commuter Services (OCCS), located at 754 Ostrom Avenue, offers students services and support throughout the off-campus housing experience, providing information and resource referrals to all undergraduate students seeking to move off campus in the future, as well as graduate, professional, and transfer students who are new to Syracuse University and the City of Syracuse and require off campus housing, information, and assistance.

The OCCS plays an active role in educating the off-campus student community regarding their rights and responsibilities, both as tenants and as members of the community. The OCCS staff is dedicated to providing programs and services to all students who live off-campus. We strive to assist the off-campus student community in connecting to the university and making a positive impact on their off-campus living experience.

You can visit the Office to learn about the network of educational and community services available to them. The Office will provide you with information on finding suitable housing, exercising your rights and upholding your responsibilities as tenants and as members of the community, and identifying where to get help with any questions.

We invite all off-campus students to participate in our 13th Annual Taste of Westcott Street Reception on Thursday, September 1, 2011, at 6:00 p.m. at the Erwin Methodist Church, located at 920 Euclid Avenue. In addition to sampling the area food, you will have the opportunity to meet your new neighbors, as well as mingle with the key community members that can provide you with information as you transition into the neighborhood. You can also make contact with community organizations and learn ways to get involved in their new neighborhood. Last year, over 1,000 individuals participated in this event.

This event is free for all students with a valid SU/ESF ID. For more information, contact us at offcampus.syr.edu; offcampus@syr.edu; or, 315-443-5489

Is Your I-20 or DS-2019 Expiring Soon? Do You Need an Extension of Stay?

This is the time of year when many international students whose I-20 or DS-2019 will expire this December, but who will be continuing their studies for Spring 2011, are applying for an extension of stay. Students who will begin a new level of study (e.g., completing bachelor's and commencing master's or completing master's and commencing PhD) receive a new I-20 for the new level of study. Changes in level of study require an admission letter from the Graduate School (if completing a bachelor's and commencing master's) or from the student's academic department (if completing master's and commencing PhD) verifying that the student has been approved for the new level of study, and the semester that the new level will begin.

Student's with I-20s or DS-2019s expiring in December 2011 but who will continue their studies at SU **must** begin the extension of stay process (or change in level of study process) well before that date so that the new I-20 is issued before the I-20 expiration date.

Complete information and the required forms are available on-line at: http://international.syr.edu/documents/forms/I-20_Extension.pdf

Housing and Safety

Keeping Good Rental Records

Lack of knowledge regarding leases or other rental agreements can cause a variety of problems. By keeping records of rental repair requests, security deposit disputes, and other important issues related to rental agreements, you can alleviate many of these types of problems. The most frustrating problems occur when the tenant cannot document their grievances. To prevent this, start a rental file as soon as you sign the lease and add to it throughout your lease term. A rental file is easy to keep, considering the money you may recover through rental modification or qualifying for full return on your security deposit. If a rental problem arises, it is easier to negotiate a solution with the landlord when you have written records that show the extent of the problem, what you asked the landlord to do about it, and how the landlord responded.

Your Rental File Should Hold:

A Rental Log

Use a simple notebook to write all dates and times you contacted or tried to contact your landlord; make a note of any discussion. Logs are a useful permanent record of how the landlord did or did not respond to problems.

Apartment Condition Checklist

This is proof of the condition of the apartment when you move in and out. Keep a copy and send the original to the landlord by certified mail and return receipt.

Correspondence With Your Landlord

Make any complaints or concerns in writing and keep copies on file. All verbal requests should be followed up in writing with copies in your file.

Reports

Keep copies of the Certificate of Suitability, building inspection reports, police reports, and any other reports from other agencies.

Photographs

Photos may be the evidence you need to document a repair or security deposit problem. Photos should be dated and signed by a witness.

Off-Campus Housing 101

It is that time of year: time to begin looking for off-campus housing for the 2011-12 academic year. The rental season begins very early in Syracuse, but that does not mean that you have to sign a lease right now; you should not rush to sign a lease and should learn about off-campus housing prior to making the decision to move off-campus. A lease should not be signed until the property has been researched, roommates are confirmed, and the lease has been reviewed by Student Legal Services.

There are a number of rental units available in the University area and one of the best sources for advice and information about off-campus housing are friends and classmates. Another good place to search is Orange Housing. Orange Housing maintains a web site of apartment offerings in the neighborhoods adjacent to campus. The Orange Housing website is www.orangehousing.com. It is important to keep in mind that this local company is not affiliated with Syracuse University or SUNY ESF and there are absolutely no guarantees about the quality and reliability of the information posted on the website. Orange Housing also offers roommate searches, sublet listings, and information relevant to apartment hunters. Apartment listings can also be found in the *Daily Orange* and at www.apartmentfinder.com.

Your first step in your apartment search is determining your needs. Important considerations include:

- Distance from campus
- How much you can afford for rent and utilities
- On or off-street parking
- Number of roommates
- Furnished or non-furnished apartment

- Length of lease
- Pets

Once you have determined your needs you will want to view two or more rentals that meet your criteria. Check out each apartment thoroughly; don't be afraid to test faucets, doorknobs, etc. and make sure you are satisfied with the safety features available (window locks, security lights, etc.). You should talk with the current tenants about the apartment; ask about location and experiences with the landlord. Once you decide on an apartment and have done all needed research, you should have the lease reviewed by Student Legal Services.

The Office of Off-Campus and Commuter Services (OCCS) is a resource that you should also utilize in your search for off campus housing. OCCS staff will assist you in your search by educating you on what is needed to have a successful off-campus living experience. OCCS is available for in person assistance at 754 Ostrom Avenue, via phone at 315-443-5489, online at offcampus.syr.edu, via email at offcampus@syr.edu

Apartment Safety Tips

Burglars strike in any neighborhood. They are opportunistic and always look for such easy targets as homes that are left open, not well maintained, out of eyesight or earshot of neighbors, or obscured by landscaping or fencing. The best way to minimize your chances of becoming a victim is to take sensible precautions.

The following tips offered by the City of Syracuse Police Department are designed to help you reduce your chances of becoming a victim of crime. You may already be aware of some strategies, but others may be new to you. Remember to trust your instincts and use common sense. Do not let yourself become a victim of a crime!

Before Renting an Apartment

Survey the residence for the following security features:

- Does the apartment have metal or solid core wooden entry and exit doors? Are these doors equipped with deadbolts? Are the locks mounted securely? Have the doors been re-keyed since the last tenant moved out?
- Can visitors be observed without opening the apartment door either through a door "peephole" viewer or window?
- Does any outside vegetation block doors or windows from public view? Does the vegetation provide places or concealment at entrances at or along walkways?
- Is there adequate lighting at the building entry doors and along walkways? Are the outer doors kept locked at all times?

In Your Apartment

- Keep your doors locked at all times, especially when you are alone, sleeping, or the apartment is unoccupied (even if only for a few moments).
- Determine who is on the other side of the door before opening it. Have repair or service personnel show official identification and confirm their presence with the person requesting the service. Delivery persons should remain outside to await the person requesting the delivery.
- If you return home and something looks questionable (e.g., a slit screen, broken window, or open door) do not go inside. Call the Syracuse Police Department from a safe location.
- Be sure you have blinds or curtains on your windows to discourage window peepers. Always keep your windows covered at night and leave lights on in two or more rooms.
- Make a list of your valuables and record any serial numbers.
- Be sure all outdoor lighting fixtures are in working condition. Ask your landlord to make immediate repairs.
- Place items of value out of sight and in locked areas. Do not leave valuables unattended in such common areas as laundry rooms and lounges.
- Ask your landlord to maintain and trim shrubbery.

Getting Repairs Made in Your Apartment

As a tenant, you are entitled to a livable, safe and sanitary apartment. Failure to provide heat or hot water on a regular basis or to rid an apartment of insect infestation is an example of a violation of this entitlement.

All landlords are required to maintain **electrical, plumbing, sanitary, heating and ventilating systems** in good working order. Landlords of buildings with three or more apartments must keep apartments and public areas in "good repair." Landlords also have a duty to keep every part of a dwelling clean and free of vermin, dirt, garbage, and other offensive material.

All landlords in the City of Syracuse must maintain their premises in accordance with Syracuse Property Code. The Housing Complaint section of the Division of Code Enforcement enforces the City Code by responding to reports and complaints about housing maintenance, overgrown yards, trash and debris and disabled vehicles on private property. In addition they work with other agencies to improve residential neighborhoods.

If you have a complaint concerning the habitability or repair of your apartment, contact the Syracuse Division of Code Enforcement at **(315) 448-8695**.

If you have any questions you can call our office @ 443-5489.

Landlord Information Sharing Program

The **Landlord Information Sharing Program (LISP)** is designed to provide students with a method for communicating with each other from year to year about their rental housing challenges and successes.

Process

Any Syracuse University or SUNY ESF student can fill out a Comment Form found on our web site at offcampus.syr.edu or in our office at 754 Ostrom Avenue. Students must clearly explain their concerns or issues in the form provided or by attaching a separate typed letter. They must use facts to describe the situation that is the basis for their documentation—they cannot simply provide an opinion of their landlord with no supporting factual basis.

OCCS staff would also like to hear about any positive interactions that students might have with their landlords. If students have positive experiences that they would like us or other students to know about, they should send us a letter clearly explaining the interaction, using facts to describe the situation—they should not simply provide an opinion of their landlord with no supporting factual basis.

What happens when a Comment Form is filed?

OCCS staff will review all completed Comment Forms. If any include unprofessional language or are not appropriate to share with other students, it will be returned to the student with a letter explaining why. OCCS staff will forward a copy of the submitted Comment Form to the student's landlord. The landlord may respond to the concerns or issues directly or may respond by sending a letter to the OCCS. If the OCCS receives a response, a copy will be mailed to the student. OCCS staff will keep a copy of all Comment Forms and landlord responses in our office at 754 Ostrom Avenue. All names, contact information, and any other identifying information will be redacted from the Comment Forms and responses. Other SU/SUNY ESF students will be able to view your Comment Form and your landlord's response when they are searching for off-campus housing.

We encourage students viewing the landlord files to consider not only the number and type of concerns or issues raised, but the landlords' responses to them. Please note that the views expressed in these materials are solely those of students and local property owners and not those of Syracuse University.

Sometimes your landlord may not respond to your concerns or issues, or may respond unfavorably. OCCS staff will work with you throughout the process to seek to accomplish a resolution to your problem. When appropriate, OCCS staff will refer you to agencies that are better able to assist you, such as the Syracuse Police Department, City of Syracuse Division of Code Enforcement, Conflict Mediation Center, Student Legal Services, etc.

Lease Disputes and General Landlord Complaints

- If you have a disagreement with your landlord concerning either of your responsibilities, it is best to try to reach an agreement.
- After reaching an agreement with your landlord in person or over the phone, follow up your discussion in writing. Include anything you or your landlord agreed to in your letter.
- If a dispute still exists between you and your landlord, you may want to consult Student Legal Services (443-4532). They can provide free legal consultation and advice about landlord-tenant issues.
- You can also file a complaint against your landlord with the New York State attorney general's office. To obtain a complaint form, call 448-4800 (ask for the Consumer Affairs Department) or 1-800-771-7755 (Consumer Helpline); visit www.oag.state.ny.us (go to Consumer Issues); or contact The Office of Orientation and Off-Campus Programs.
- When you file your complaint with the attorney general's office, include a copy of your lease and copies of any correspondence you've had with your landlord concerning the problem.
- Once you file your complaint, staff from the attorney general's office will conduct an informal mediation session between you and your landlord, usually by phone, and provide advice for resolving the dispute.

Pedestrian Safety Tips

Stay safe while you're walking to campus. Here are some tips:

- Use sidewalks and paths whenever possible.
- Use crosswalks, and don't start walking until you see the "WALK" signal. Walk facing traffic so you can see vehicles as they approach, and they can see you.
- Always walk in groups of three or more!
- Remember, pedestrians only have the right-of-way if a driver sees them! As a driver, it is important to be familiar with pedestrian safety laws. When a pedestrian is crossing at a crosswalk, drivers must wait until the pedestrian has *completely* crossed the street and has reached the other side safely.
- When making a right-hand turn at a red light, it is important to come to a complete stop and check for pedestrians crossing the street. Also remember there are many "No Right on Red" turns in the Syracuse University area!

Protect your Property

All your personal belongings are insured against a wide range of losses. The SCIS supports this policy and we encourage every student to have this insurance.

- Laptops, cell phones, jewelry, watches, iPods, cameras, clothes, books, sports equipment, furniture **all** your "stuff" is covered. You're insured for countless types of losses, including theft, vandalism, fire, and accidental damage.
- Worldwide coverage on and **off** campus (in your apartment, in a foreign country, "at home", in storage, or anywhere else they may be.
- Property of the University is covered while in your care
- Buy \$4,000 of coverage for less than \$94! Also there is up to \$20,000 coverage available for an annual premium of only \$250.

For more information about our student personal property program, call 1-866-535-0456 and ask for a college specialist to assist you. Or better yet Enroll online! It's fast and easy. Simply log on to: www.haylor.com/student or send an e-mail to: student@haylor.com

For your safety, please remember...

- On campus after dark, use DPS' free escort service. Off campus, use SU Home (it's free); call 315-443-2224 for more information on these services. Additional options are Centro Bus or taxi service.
- Walk, bike or jog in groups of three or more — away from bushes, cars and other objects a suspect could hide behind.
- Look and listen. Headphones and cell phones can create tunnel vision.
- Travel in well-lighted and well-traveled areas.
- Don't approach strangers or let them get close to you.
- If you think someone is following you, switch directions or cross the street. Go toward an open business or lighted house.
- Have your house or car keys in hand before you reach your door.
- Know where "Blue Light" phones are and how to use them.
- If someone tries to rob you, don't resist. Give up your property, not your life.
- Try to get a description of the suspect(s) and any associated vehicle and tag number.
- IMMEDIATELY report emergencies or suspicious activities, persons and vehicles. For SU's Department of Public Safety, **dial 711** on campus or #78 (from a cell phone); for the Syracuse Police Department, **dial 911**

Your quick report may help prevent others from becoming victims.
