Solution shown on page 3.

STAN KURZBAN has composed puzzles for *The New York Times* and others since 1975. His book, *The Complete Cruciverbalist*, cowritten with Mel Rosen, was called "the best and most thorough handbook on crossword construction" by *Games* magazine. When not composing puzzles, Kurzban, who earned a master's degree in systems and information sciences from SU in 1972, works for IBM in Poughkeepsie, New York, as a specialist in computer security. He is lead author of *Operating Systems Principles*, with a second book in the works.
