FEATURES

26 **Nasty or Normal?**

As the candidates swap jabs en route to the 2004 election, keep in mind that presidential campaigns have historically been rough-and-tumble affairs.

30 **Collaborative Spirit**

Vice Chancellor Deborah A. Freund's academic vision has enhanced the University—and also reflects her personal experiences.

36 **Information Central**

In today's Information Age, the SU Library balances books and new technologies.

40 **Picturing Syracuse**

Newhouse students focus on the city's people and places in the photography book *Step Inside Syracuse*.
