he held for the rest of his long life, are traced by the author through the Norris papers, the people who knew him personally and politically, and the newspapers which recorded his progress.

Annotated, illustrated, and indexed, this book provides the first historical perspective on the life and early career of George W. Norris.

RICHARD LOWITT, Associate Professor of History at Connecticut College, received his B.S.S. degree from City College of New York, and his M.A. and Ph.D. degrees from Columbia University. A specialist in American history, Professor Lowitt has taught at City College of New York, the University of Maryland, the University of Colorado, the University of Rhode Island, Yale, and Duke University. He is the author of A Merchant Prince of the 19th Century: William E. Dodge, and is working on a second volume on George Norris.
