GOD'S HOTLINE

IVAN FLORES

If God were to speak to you,
He would tell you things you already know.

For you already have all the answers deep within you.

He has more important things to worry about and to deal with
Than to listen to your whining and complaints,
Your so-called misery!

You're in pain!
I'm in pain!
We are all in pain!

A word of advice—

If your head is broken, call a head doctor.
If your heart is in pieces, buy some glue.

But please, whatever you do,
Do not keep jamming God's Hotline!
Cause my prayers won't make it through!
