Syracuse Scholar still needs help
to meet publication costs. We welcome
your tax-deductible donation,
large or small.

Back cover: *The Libellus of Telesphorus of Cosenza* (1391), the oldest manuscript in the collection. A hand-illustrated set of apocalyptic prophecies in the tradition of the twelfth century Abbott Joachim of Flora.

*The manuscript is extremely rare: there are only three from the
fourteenth century and only one older than*

Ranke's.
