6th Annual SYRACUSE KOREAN FILM FESTIVAL **Free Admission / English Subtitles** **HBC Kittridge Auditorium**

Korean Cine Forum, associated with the department of Transmedia/Film and Korean Student Association of Syracuse University, would like to present the Syracuse Korean Film Festival (SKFF). It is scheduled between **April 16 ~ 18** and it will be held in the HBC Kittredge Auditorium at Syracuse University. The main goal of the Syracuse Korean Film Festival is to introduce unique contemporary Korean cinema to the Syracuse community,

thereby enhancing a cultural understanding among the SU and local ethnic communities, and give people a chance to experience cultural differences between the Third World cinema and US/Hollywood cinema through the films. Selected films have received awards from some prominent international film festivals and will be presented with English subtitles. I am sure that it must be a great opportunity to understand Korea through the films because they reflect Korean culture, society and history in each of them. This event is not only intended for Korean audience but also for people who are eager to enjoy the uniqueness of Korean cinema.

Happy Orthodox Easter (Pascha)!

On Holy Thursday the bright dyed red eggs that are symbolic of Easter. Tradition says that the Virgin Mother, Mary, dyed eggs this color to celebrate the Resurrection of Christ and to celebrate life. Every Orthodox family prepares these eggs as part of the Easter Sunday Resurrection Table. Otherwise, the women in Orthodox families are busy baking cookies and traditional sweet bread for the Easter feast. Holy Saturday is filled with anticipation of the religious celebration of Easter and the Resurrection. People begin to gather in the churches and squares in cities, towns and villages by 11 p.m. for the Easter services. Large white candles are carried by just about all of the faithful. At midnight the church bells toll as the priests announce...Christ is Risen! Fireworks are set off, in some areas gunshots are fired and the each person in the crowd answers with the joyous responses of - Truly He is risen and - True is The Lord.

The resurrection of Jesus Christ from the dead is the center of the Orthodox Christian faith. Twelve weeks of preparation precede it. This is made up of pre-Lenten Sundays, Great Lent, and Holy Week. The faithful try to make this long journey with repentance, forgiveness, reconciliation, prayer, fasting, almsgiving, and study. When the feast finally arrives, it is celebrated with a collection of services combined as one.
