Canada Trip, October 17th, 2009

View of Toronto from the CN Tower

! Important Announcements !

- Although rare, a fire drill or evacuation could be an opportunity for a thief to strike. To prevent someone from taking your irreplaceable documents and passports we recommend the following:
 - **Keep your documents in a secure location.**
 - **Be able to access and take your documents with you quickly if you need to evacuate the building.**
 - **A small safe, briefcase, folder or backpack maybe the best way to keep your documents organized.**
 - **Property insurance is always an important thing to have.**

(www.haylor.com/student)
You should never spend time searching for your documents in an emergency situation. **REMEMBER**, while you want to do your best to protect your valuable property, your personal safety is the highest importance in an emergency!

- **International Thanksgiving Celebration November 22, 2009**
As an international student Hendricks Chapel and the Slutzker Center for International Services want to invite you to attend a traditional Thanksgiving Dinner. Within the next few weeks you will see more information in our SCIS Newsletter regarding this wonderful celebration.
- **Travelling This Semester? Have Your Documents!**
If you are travelling within the U.S., you must still carry with you your passport, I-94 card, and original I-20/DS-2019. The U.S. Border Patrol often inspects documents at train stations, bus stations, and airports. If you do not have your original documents, you could be fined \$100, or detained until your status can be verified.
- If you are travelling outside the U.S., you must make sure you have a valid visa stamp to re-enter the U.S., as well as an unexpired passport valid for at least 6 months into the future, and a blue travel signature from SCIS on your I-20/DS-2019 within the last 1 year (or if you are on OPT, the last 6 months). If you are on OPT, you must also have a valid EAD card and job offer letter to re-enter the United States.
The Travel Seminar - 1st and 3rd Wednesday of each month @ 1:30pm at the Slutzker Center.
- Students who are planning to do an Internship this Fall semester should apply for Curricular Practical Training ([CPT](#)).
Curricular Practical Training Seminar (CPT) - Wednesday @ 3:00pm
Optional Practical Training Seminar (OPT) - Wednesday @ 3:45pm

• **Address Change?**

You must always provide a current physical address to the SCIS in order to keep your SEVIS registration current and to maintain your lawful status. You have 10 days to inform the SCIS of any changes or you are in violation of your status. http://international.syr.edu/address_update_opt.htm

SU Fulbright Scholars Received by West Genesee High School

Two Fulbright Scholars, Mahdee Sanglakhee, a Maxwell School of Public Affairs and Citizenship graduate student from Afghanistan, and Claudia Louie, doctoral student in Information Science from Santa Lucia, along with Sisi Zheng, a Ford Foundation recipient and graduate student in the Maxwell School, addressed a

group of about 60 West Genesee High School students on Thursday, October 22, 2009, organized by Ms. Marcia A. Ranieri, Assistant Principal. The students enthusiastically asked our students questions about their country's perceptions of the United States and were especially interested in hearing about life in Afghanistan. The visit was so successful that West Genesee students will attend a pizza party at the Slutzker Center in November to meet more international students at SU. The Fulbright School Visits to High Schools in the Central New York area are organized by Dr. Elane Granger, president of the Central New York Fulbright Association and associate director of the Lillian and Emanuel Slutzker Center for International Services.

Woman in the Blue Dress is a multi-media theatre work that brings to life Henriette Henriot, a fledgling actress at the Théâtre de L'Odéon in Paris, and model for artist Pierre-August Renoir's *La Parisienne*. In the work, Henriette shares her provocative story of life in the theatre, her experience in the Parisian art world of the 1870s, and what it was like to model for Renoir, the most shocking Impressionist painter of his day.

Pedestrian Safety Tips

October is Pedestrian Safety Month! Stay safe while you're walking to campus.

Here are some tips:

Use sidewalks and paths whenever possible.

Use crosswalks, and don't start walking until you see the "WALK" signal.

Walk facing traffic so you can see vehicles as they approach, and they can see you.

Always walk in groups of three or more!

Remember, pedestrians only have the right-of-way if a driver sees them! As a

driver, it is important to be familiar with pedestrian safety laws. When a

pedestrian is crossing at a crosswalk, drivers must wait until the pedestrian has

completely crossed the street and has reached the other side safely.

When making a right-hand turn at a red light, it is important to come to a complete

stop and check for pedestrians crossing the street. Also remember there are many

"No Right on Red" turns in the Syracuse University area!

The SCIS supports this policy and we encourage every student to have this insurance.

- Laptops, cell phones, MP3 Players, clothes, books, sports equipment, furniture---
all your "stuff" is covered
- You're insured for countless types of loss, including theft, vandalism, fire, water, and accidental damage
- Worldwide coverage---on and **off** campus
- Property of the University is covered while in your care
- Low deductibles of just \$50 or \$100
- Buy \$4,000 of coverage for less than \$95!
-

For more information about our student personal property program, call **1-800-289-1501** and ask for a college specialist. Or better yet **Enroll online!** It's fast and easy.

Simply log on to: www.haylor.com/student

=====

For your safety, please remember...

- **On campus after dark, use DPS' free escort service.** Off campus, use SU Home (it's free); call 443-2224 for more information on these services. Additional options are Centro Bus or taxi service.
- **Walk, bike or jog in groups of three or more** – away from bushes, cars and other objects a suspect could hide behind.
- **Look and listen.** Headphones and cell phones can create tunnel vision.
- **Travel in well-lighted and well-traveled areas.**
- **Don't approach strangers** or let them get close to you.
- **If you think someone is following you, switch directions or cross the street.** Go toward an open business or lighted house.
- **Have your house or car keys in hand** before you reach your door.
- **Know where "Blue Light" phones** are and how to use them.
- **If someone tries to rob you, don't resist.** Give up your property, not your life.
- **Try to get a description of the suspect(s)** and any associated vehicle and tag number.
- **IMMEDIATELY report emergencies or suspicious activities, persons and vehicles.** For SU's Department of Public Safety, **dial 711** on campus or #78 (from a cell phone); for the Syracuse Police Department, **dial 911.**

Your quick report may help prevent others from becoming victims.

Fall 2009 Bus Schedule

Centro is the provider of public transportation in Syracuse and throughout Onondaga, Cayuga and Oswego Counties. Centro operates a system of shuttle routes on campus under contract with Syracuse University. These are regular transit routes which Syracuse University students can board for free. Centro also operates an extensive system of bus routes connecting the Syracuse University campus to points throughout the area. Students may ride free on these routes within certain specified "free fare zones". If you wish to travel to an area outside of these zones, you must pay a fare.

Community Folk Art Center
"Power and Pride: An Elizabeth Catlett Retrospective"

Syracuse, NY - This weekend, the Community Folk Art Center hosted several well-attended events to mark the beginning of their new exhibit, Power and Pride: An Elizabeth Catlett Retrospective, including a VIP reception with the artist on Friday, and a screening of the film Betty Y Pancho by her son, Juan Mora Catlett on Saturday.

Both events saw excellent turnout, with the reception hosting over 100 attendees and the film screening on Saturday seeing over 30. This is likely due to the press we received previewing the event from the Syracuse New Times, Syracuse.com/Syracuse Post-Standard, and CNYLink.com. We also publicized the event through our social networking accounts on Facebook and Twitter. The exhibit continues to be shown at the Center until December 12th.
