

The rich and varied heritage of...

SYRACUSE UNIVERSITY PRESS

Syracuse University Press recently celebrated its 40th anniversary. Since its founding in 1943 it has published 640 titles, 375 of which are still in print. It is the only publisher to have received an award from the New York State Council on the Arts. Its books have won numerous individual academic and design awards. Write for our free complete catalog and regional books catalog.
