Annual Thanksgiving Dinner Drive

From Hendricks Chapel

This November, the Office of Engagement Programs in Hendricks will be organizing our annual Thanksgiving Dinner Drive to help provide important Thanksgiving ingredients for those in the community who may struggle to afford them.

We are asking for items that make sense in the context of Thanksgiving, which includes but is not limited to-

- gift cards from local grocery store for a turkey
- boxes of prepared stuffing
- cans of vegetable broth
- boxes of Bisquick
- cans of cranberry sauce
- cans of yams
- cans of corn or green beans
- bags of fresh apples
- bags of potatoes

We will be accepting donations in our office (in the lower level of the Chapel) and there will be a donation box in the Noble Room of the Chapel around the corner from People's Place. Feel free to come by the office or drop items off in the box, although we suggest that you do not leave money or gift cards in the box.

Finally, after two weeks of collecting items, we will be having a PACKAGING PARTY in the Noble Room on Wednesday, November 17 from 12pm to 3pm. We will have pizza and music and be putting together boxes of items for individual families. We will also make cards for families! This will take place all afternoon, so feel free to stop in between classes or meetings and see how it's going, you can come and go as your

schedule permits (we know you are busy!).

If you or your organization would like more information on how to help out, please contact Erica Monnin at engagesu@syr.edu

International Student Support Group every Thursday @3:00pm at the Slutzker Center

What is a support group?

Being an international student is both an exciting and at times a challenging experience. A support group provides a venue to meet other international students who can share and relate to your experiences and concerns; you can receive both support and feedback on how to adjust to the local environment, cope with the difficulties, and achieve academic progress and personal growth through the semester. The group will be facilitated by Jacquie Ye and Susan Levy,

What do I talk about when I am in group?

International students who join these groups usually talk about their own unique reasons for coming to group. Students typically share about difficulties they experience in adjusting to the university culture, strategize together, and brainstorm about effective ways to cope, maintain a healthy balance, and improve one's quality of life.

Some common topics that past groups have covered include:

- o **Experiencing academic and research stressors**
- o **Issues with negotiation with professors/supervisors,**
- o **Homesickness, loneliness, coping with long-distance relationship**
- o **Language and communication barriers**
- o **Making friends or dating someone from a different culture**
- o **US cultural adjustment and shock, etc.**

Who are the facilitators?

The facilitators are Jacquie Ye and Susan Levy, counselors at the SU Counseling Center. Jacquie was born in China and Susan in South Africa. Having been international students themselves, they are enthusiastic about working with and providing support for other international students.

English will be the language that will be used. Any personal information shared in the group is confidential.

Please sign up at the Slutzker Center front desk. Space is limited.

If you are curious, have questions or are downright interested, please feel free to contact Jacquie Ye at hjye@syr.edu and Susan Levy at sulevy@syr.edu.

Engineering for the Developing World: From Crisis to Development

After the earthquake in Haiti, many worldwide understood—many for the first time—the challenges posed by the inadequate infrastructure in the country. As international efforts continue to consider the “how” of reconstructing Haiti, Dr. Amadei will speak of what EWB and others with similar skills and talents can bring to bear on these challenges.

Bernard Amadei has focused on transforming the field of engineering by revamping traditional models and establishing professional standards to integrate the field of engineering more closely with pressing global issues and needs, such as redevelopment efforts in earthquake-devastated Haiti. He is the founding president of Engineers Without Borders–USA and co-founder of the Engineers Without Borders international network. Amadei directs the Mortenson Center in Engineering for Developing Communities, and leads its overall mission to educate globally responsible engineering students and professionals who can offer sustainable and appropriate solutions to the endemic problems faced by developing communities worldwide. Amadei’s goal is to promote sustainable development, appropriate technology, service learning, and system thinking in the curriculum and research of civil and environmental engineering programs at U.S. universities. Among other distinctions, Amadei is the 2007 co-recipient of the Heinz Award for the Environment, the recipient of the 2008 ENR Award of Excellence, and an elected member of the U.S. National Academy of Engineering. He was elected an Ashoka-Knight Fellow in 2010. Amadei is currently at work on a book entitled “Engineering With Soul.” The lecture is co-sponsored by the L.C. Smith College of Engineering and Computer Science and the SU Humanities Center.

United States Air Force Airmen of Note

Monday, Nov. 15 at 8 p.m.

Free performance; tickets required

Paid parking available in Booth and University Avenue garages for \$4

The premier jazz ensemble of the U.S. Air Force, the Airmen of Note was created in 1950 to carry on the tradition of Major Glenn Miller's Army Air Corps dance band. Today, the group features 18 of the most talented jazz musicians in the country and is one of the last touring big bands, earning an international reputation as one of the finest and most versatile big bands of its kind.

Through the years, the Airmen of Note has presented its exciting brand of big band jazz to audiences throughout the

United States, in dozens of countries in Europe and Asia, as well as back home in the Washington, D.C., area. The band has collaborated on recordings and performances with such jazz luminaries as Dizzy Gillespie, Joe Williams, Sarah Vaughan and Nancy Wilson.

In 1990, the group established the Jazz Heritage Series (featured on NPR and jazz radio, satellite and Internet stations), featuring concerts with legendary icons of jazz. Artists who have participated in the series include Clark Terry, Phil Woods, Kurt Elling, Paquito D'Rivera, Nicholas Payton and Karrin Allyson, among others.

The band's Glenn Miller sound has remained a central ingredient in its musical heritage, but through the years it has also adopted a more contemporary sound, due largely to a talented stable of staff arrangers. Today, Master Sergeant Alan Baylock, the group's current chief arranger, helps maintain a commitment to tradition and cutting edge innovation.

In 2010, the Airmen of Note celebrates 60 years as one of the nation's most revered musical organizations.

Beat the Heating Bill Blues

Set your thermostat lower when you are not home and when you are sleeping. It takes less energy to warm up a cool house than it does to maintain a warm temperature all day and night.

Put an extra blanket on your bed and wear an extra layer to be comfortable. Set your thermostat at 68 degrees. For every degree you set your thermostat back, you can save three percent of your annual heating costs. A change from 72 to 68 degrees could save you up to 12 percent!

Install a programmable thermostat which allows you to set up heating programs that will automatically change the thermostat's set temperature between comfort levels and energy saving levels at specified times. A programmable thermostat can save you up to 35 percent in heating costs.

Keep curtains and shades open during the day to capture warmth and closed at night to prevent heat loss through windows.

Keep doors of unused rooms closed and use a towel to eliminate drafts under doors. If you use a space heater for extra warmth, be sure to keep it at least three feet from other objects and turn it off when you leave.

Keep your thermostat set to a temperature no lower than 55° F. **You must keep your apartment heated all winter long so that your pipes will not freeze**—even while nobody is living in the house. Frozen pipes cause extensive and expensive damage to a home's plumbing and heating systems. If you turn off your heat, you could be responsible for repairs! Also, keep in mind that using a space heater instead of central heat may not save you money and it puts you at greater risk for a fire.

If you have questions about winter heating or need tips on how to lower your bill, please contact the Office of Off-Campus and Commuter Services at 315-443-5489 or offcampus@syr.edu.

SU Disability Cultural Center Initiative

This initiative came as a result of recommendations made by the chancellor's task force which identified an opportunity for SU to become a premiere institution supporting inclusion and disability culture for all. As part of our efforts to create such a center I would like to schedule a meeting with students to help us brainstorm about the vision and eventually the creation of the disability cultural center. This meeting will help guide us regarding what YOU would find useful or important in such an initiative, what will help meet your needs and desires as a student at Syracuse University.

I wanted to invite you to participate in this meeting, which will be scheduled around students' availability.

The focus of the Disability Cultural Center is to coordinate campus-wide social, educational, and cultural activities on disability issues for students, faculty, staff, and community members with and without disabilities. It is not a service granting entity, nor do you have to identify as disabled in order to participate. In fact, no prior qualifications are required, only a desire to bring about positive change in the climate of the university towards disability issues.

For more information about the center, please check out our site under construction at <http://thechp.syr.edu/dcc/index.html>

This is a great opportunity to get involved with the campus community, and also something unique to put on your resume or CV.

Please feel free to contact me with any questions or concerns

I look forward to working with you on this exciting project

Parking Regulations In The University Neighborhoods

Parking in the neighborhoods surrounding campus may be a new experience for some. To avoid ticketing and towing, and to help maintain the quality of life in the University area, members of the University community are reminded to observe city parking regulations.

Many city streets have alternate side (**odd-even**) parking, which takes effect at **6 p.m. On odd dates, parking starts at 6 p.m. on the side of the street with odd address numbers; on even dates, parking starts at 6 p.m. on the side with even-number addresses.**

"Parking illegally on a city street creates traffic hazards to motorists and pedestrians, obstructs vehicular and pedestrian traffic, prevents emergency vehicles from entering areas, and delays public services such as trash collection and snow removal. And parking on front lawns and across sidewalks is not only illegal, but also poses a safety threat to pedestrians who are forced to walk off the sidewalks. Working collaboratively with the Syracuse Police Department, we want the campus community to know the rules so they can follow them.

" To reduce and discourage illegal parking, the Syracuse Police Department will strictly enforce the parking regulations in the University area and will routinely conduct Ticket and Tow Operations in persistent violator areas. Drivers should obey the posted parking regulations in order to avoid being ticketed and towed, and should be mindful that failure to respond to parking violations may result in collection agency involvement or other punitive action against the registrant and/or the vehicle.

You must be in compliance with these immunization requirements in order to remain on campus.

The Health Service will be sending an email to all those who are not in compliance via the syr.edu email address. Please watch for that notice (check your syr.edu email address!). If your registration is cancelled, you will also lose your F-1 or J-1 student status. Don't put yourself at risk. Contact the Health Service as soon as you receive that email!

- **Although rare, a fire drill or evacuation could be an opportunity for a thief to strike. To prevent someone from taking your irreplaceable documents and passports we recommend the following:**

- **Keep your documents in a secure location.**
- **Be able to access and take your documents with you quickly if you need to evacuate the building.**
- **A small safe, briefcase, folder or backpack maybe the best way to keep your documents organized.**
- **Rent a safety deposit box at your local bank (i.e.: HSBC, Chase, etc.)**

You should never spend time searching for your documents in an emergency situation. REMEMBER, while you want to do your best to protect your valuable property, your personal safety is the highest importance in emergency!

- **Travelling During the Thanksgiving Break?**

Have all Your Documents with you! If you are travelling within the U.S., you must still carry with you your passport, I-94 card and original I-20/DS-2019. The U.S. Border Patrol often inspects documents at train stations, bus stations, and airports. If you do not have your original documents, you could be fined \$100, or detained until your status can be verified.

If you are travelling outside the U.S., you must make sure you have a valid visa stamp to re-enter the U.S., as well as an unexpired passport valid for at least 6 months into the future, and a blue travel signature from SCIS on your I-20/DS-2019 within the last 1 year (or if you are on OPT, the last 6 months). If you are on OPT, you must also have a valid EAD card and job offer letter to re-enter the United States.

The Slutzker Center for International Services offers Travel Seminars every 1st and 3rd Wednesday of each month @1:30pm and every Friday @ 12p.m

Worried that your flight might be delayed? Please contact your airline, the airport and check this website - <http://www.fly.faa.gov>

- **Applied for OPT ? The SCIS Needs a Copy of Your EAD Card!**
The SCIS reminds all students who have applied for OPT that once you receive your Employment Authorization Card (EAD), please "scan the front and back of your EAD card" and e-mail us a copy of it to lescis@syr.edu.
- **Students who are planning to do an Internship this Fall semester should apply for Curricular Practical Training (CPT) Please remember that you have to register for at least 1 credit for CPT.**
Curricular Practical Training Seminar (CPT) - Wednesday @ 3:00pm
Optional Practical Training Seminar (OPT) - Wednesday @ 3:45pm

■ **Address Change?**

All International Students and Scholars that will be moving out from the "Campus Housing" must update the US Address where you will be living during the Fall semesters via your "MySlice self-service" and select CURR address. You must update your address immediately in order to be in compliance with the Immigration. If you do not update your addresses we will not be able to register your record with SEVIS and you will be jeopardizing your Immigration requirements to comply with reporting changes of addresses while you are here in the USA and at Syracuse University.

You must always provide a current physical address to the SCIS in order to keep your SEVIS registration current and to maintain your lawful status. You have 10 days to inform the SCIS of any address changes or you are in violation of your status. http://international.syr.edu/address_update_opt.htm

Full-time Course of Study

NOTE: For Syracuse University F-1 students, a full-time course load is required during the Fall and Spring semesters. Full time enrollment means **Graduate** students must enroll for at least **9 credits** every semester. **Undergraduate** students must register for at least **12 credits** every semester. Students are not required to enroll in courses during the Summer. However, **if Summer session is your first semester** then you must maintain full time enrollment of at least 6 credits for that summer session.

Under Federal Immigration Rules, **to maintain F-1 status, no more than 3 online credits per semester may count towards the "full course of study" requirement.** For example, a graduate student required to register for 9 credits per semester to maintain full time status can take only 3 of those credits through an on-line class each semester - **6 credits must be live, in classroom courses.**

However, an F-1 student can take as many on-line or distance education as they wish (with SCIS's approval) during the Summer or over Winter break.

If it is your last semester and fewer than 12 credits are required to graduate for

undergrads and 9 credits for grads; it is acceptable to carry only those credits required to complete your degree. **If a student needs less than a full course load in the final semester to finish his/her degree, the course(s) cannot be taken solely online or as distance education. You must be enrolled in a live, in classroom course during your last semester.**

Students considering on-line courses or courses at a different institution should first discuss the plan with an SCIS advisor. It is necessary to maintain valid F-1 status at all times.

If you are taking less than 9 credits this semester you must fill out a Certificate of Full-Time Status http://international.syr.edu/full_time_status_certification-Jan04.pdf

If this is your last semester you will have to fill out the Last Semester Memo <http://international.syr.edu/>

**Are You Employed This Semester?
Here's an Important Tax Tip for F-1s and J-1s!**

If you are an international student in F-1 or J-1 status who is working on campus for Fall 2010, have you examined your paychecks carefully? Here is some important information for you. The information that comes with your paycheck may show that both federal and state income tax (or just federal income tax) are being withheld from your paycheck. This is correct, since students in F-1 or J-1 status do pay federal and state income taxes on money they earn through on-campus employment. However, if your paycheck information shows that social security tax and/or Medicare tax are being withheld from your paycheck, this may be an error! F-1 or J-1 students who have been in the United States in F-1 or J-1 status for five years or less do not pay social security or Medicare tax on employment earnings authorized by federal Immigration regulations, including on-campus employment. So, if you believe a mistake has been made, speak with someone in the appropriate payroll office, and have your pay stub with you. You are entitled to a refund of any social security or Medicare tax incorrectly withheld.

The rules are explained in **IRS Publication 519: US Tax Guide for Aliens**. To access a copy, go to: <http://www.irs.gov/pub/irs-pdf/p519.pdf> You need print only pages 1, 54 and 55

Keeping Good Rental Records

Lack of knowledge regarding leases or other rental agreements can cause a variety of problems. By keeping records of rental repair requests, security deposit disputes, and other important issues related to rental agreements, you can alleviate many of these types of problems. The most frustrating problems occur when the tenant cannot document their grievances. To prevent this, start a rental file as soon as you sign the lease and add to it throughout your lease term. A rental file is easy to keep, considering the money you may recover through rental modification or qualifying for full return on your security deposit. If a rental problem arises, it is easier to negotiate a solution with the landlord when you have written records that show the extent of the problem, what you asked the landlord to do about it, and how the landlord responded.

Your Rental File Should Hold:

A Rental Log

Use a simple notebook to write all dates and times you contacted or tried to contact your landlord; make a note of any discussion. Logs are a useful permanent record of how the landlord did or did not respond to problems.

Apartment Condition Checklist

This is proof of the condition of the apartment when you move in and out. Keep a copy and send the original to the landlord by certified mail and return receipt.

Correspondence With Your Landlord

Make any complaints or concerns in writing and keep copies on file. All verbal requests should be followed up in writing with copies in your file.

Reports

Keep copies of the Certificate of Suitability, building inspection reports, police reports, and any other reports from other agencies.

Photographs

Photos may be the evidence you need to document a repair or security deposit problem. Photos should be dated and signed by a witness.

Off-Campus Housing 101

It is that time of year: time to begin looking for off-campus housing for the 2011-12 academic year. The rental season begins very early in Syracuse, but that does not mean that you have to sign a lease right now; you should not rush to sign a lease and should learn about off-campus housing prior to making the decision to move off-campus. A lease should not be signed until the property has been researched, roommates are confirmed, and the lease has been reviewed by Student Legal Services.

There are a number of rental units available in the University area and one of the best sources for advice and information about off-campus housing are friends and classmates. Another good place to search is Orange Housing. Orange Housing maintains a web site of apartment offerings in the neighborhoods adjacent to campus. The Orange Housing website is www.orangehousing.com. It is important to keep in mind that this local company is not affiliated with Syracuse University or SUNY ESF and there are absolutely no guarantees about the quality and reliability of the information posted on the website. Orange Housing also offers roommate searches, sublet listings, and information relevant to apartment hunters. Apartment listings can also be found in the *Daily Orange* and at www.apartmentfinder.com.

Your first step in your apartment search is determining your needs. Important considerations include:

- Distance from campus
- How much you can afford for rent and utilities
- On or off-street parking
- Number of roommates
- Furnished or non-furnished apartment
- Length of lease
- Pets

Once you have determined your needs you will want to view two or more rentals that meet your criteria. Check out each apartment thoroughly; don't be afraid to test faucets, doorknobs, etc. and make sure you are satisfied with the safety features available (window locks, security lights, etc.). You should talk with the current tenants about the apartment; ask about location and experiences with the landlord. Once you decide on an apartment and have done all needed research, you should have the lease reviewed by Student Legal Services.

The Office of Off-Campus and Commuter Services (OCCS) is a resource that you should also utilize in your search for off campus housing. OCCS staff will assist you in your search by educating you on what is needed to have a successful off-campus living experience. OCCS is available for in person assistance at 754 Ostrom Avenue, via phone at 315-443-5489, online at offcampus.syr.edu, via email at offcampus@syr.edu

Apartment Safety Tips

Burglars strike in any neighborhood. They are opportunistic and always look for such easy targets as homes that are left open, not well maintained, out of eyesight or earshot of neighbors, or obscured by landscaping or fencing. The best way to minimize your chances of becoming a victim is to take sensible precautions.

The following tips offered by the City of Syracuse Police Department are designed to help you reduce your chances of becoming a victim of crime. You may already be aware of some strategies, but others may be new to you. Remember to trust your instincts and use common sense. Do not let yourself become a victim of a crime!

Before Renting an Apartment

Survey the residence for the following security features:

- Does the apartment have metal or solid core wooden entry and exit doors? Are these doors equipped with deadbolts? Are the locks mounted securely? Have the doors been re-keyed since the last tenant moved out?
- Can visitors be observed without opening the apartment door either through a door "peephole" viewer or window?
- Does any outside vegetation block doors or windows from public view? Does the vegetation provide places or concealment at entrances at or along walkways?
- Is there adequate lighting at the building entry doors and along walkways? Are the outer doors kept locked at all times?

In Your Apartment

- Keep your doors locked at all times, especially when you are alone, sleeping, or the apartment is unoccupied (even if only for a few moments).
- Determine who is on the other side of the door before opening it. Have repair or service personnel show official identification and confirm their presence with the person requesting the service. Delivery persons should remain outside to await the person requesting the delivery.
- If you return home and something looks questionable (e.g., a slit screen, broken window, or open door) do not go inside. Call the Syracuse Police Department from a safe location.
- Be sure you have blinds or curtains on your windows to discourage window peepers. Always keep your windows covered at night and leave lights on in two or more rooms.
- Make a list of your valuables and record any serial numbers.
- Be sure all outdoor lighting fixtures are in working condition. Ask your landlord to make immediate repairs.
- Place items of value out of sight and in locked areas. Do not leave valuables unattended in such common areas as laundry rooms and lounges.
- Ask your landlord to maintain and trim shrubbery.

Getting Repairs Made in Your Apartment

As a tenant, you are entitled to a livable, safe and sanitary apartment. Failure to provide heat or hot water on a regular basis or to rid an apartment of insect infestation is an example of a violation of this entitlement.

All landlords are required to maintain **electrical, plumbing, sanitary, heating and ventilating systems** in good working order. Landlords of buildings with three or more apartments must keep apartments and public areas in "good repair." Landlords also have a duty to keep every part of a dwelling clean and free of vermin, dirt, garbage, and other offensive material.

All landlords in the City of Syracuse must maintain their premises in accordance with Syracuse Property Code. The Housing Complaint section of the Division of Code Enforcement enforces the City Code by responding to reports and complaints about housing maintenance, overgrown yards, trash and debris and disabled vehicles on private property. In addition they work with other agencies to improve residential neighborhoods.

If you have a complaint concerning the habitability or repair of your apartment, contact the Syracuse Division of Code Enforcement at **(315) 448-8695**.

If you have any questions you can call our office @ 443-5489.

Landlord Information Sharing Program

The **Landlord Information Sharing Program (LISP)** is designed to provide students with a method for communicating with each other from year to year about their rental housing challenges and successes.

Process

Any Syracuse University or SUNY ESF student can fill out a Comment Form found on our web site at offcampus.syr.edu or in our office at 754 Ostrom Avenue. Students must clearly explain their concerns or issues in the form provided or by attaching a separate typed letter. They must use facts to describe the situation that is the basis for their documentation—they cannot simply provide an opinion of their landlord with no supporting factual basis.

OCCS staff would also like to hear about any positive interactions that students might have with their landlords. If students have positive experiences that they would like us or other students to know about, they should send us a letter clearly explaining the interaction, using facts to describe the situation—they should not simply provide an opinion of their landlord with no supporting factual basis.

What happens when a Comment Form is filed?

OCCS staff will review all completed Comment Forms. If any include unprofessional language or are not appropriate to share with other students, it will be returned to the student with a letter explaining why. OCCS staff will forward a copy of the submitted Comment Form to the student’s landlord. The landlord may respond to the concerns or issues directly or may respond by sending a letter to the OCCS. If the OCCS receives a response, a copy will be mailed to the student. OCCS staff will keep a copy of all Comment Forms and landlord responses in our office at 754 Ostrom Avenue. All names, contact information, and any other identifying information will be redacted from the Comment Forms and responses. Other SU/SUNY ESF students will be able to view your Comment Form and your landlord’s response when they are searching for off-campus housing.

We encourage students viewing the landlord files to consider not only the number and type of concerns or issues raised, but the landlords’ responses to them. Please note that the views expressed in these materials are solely those of students and local property owners and not those of Syracuse University.

Sometimes your landlord may not respond to your concerns or issues, or may respond unfavorably. OCCS staff will work with you throughout the process to seek to accomplish a resolution to your problem. When appropriate, OCCS staff will refer you to agencies that are better able to assist you, such as the Syracuse Police Department, City of Syracuse Division of Code Enforcement, Conflict Mediation Center, Student Legal Services, etc.

Pedestrian Safety Tips

Stay safe while you're walking to campus. Here are some tips:

- Use sidewalks and paths whenever possible.
- Use crosswalks, and don't start walking until you see the "WALK" signal. Walk facing traffic so you can see vehicles as they approach, and they can see you.
- Always walk in groups of three or more!
- Remember, pedestrians only have the right-of-way if a driver sees them! As a driver, it is important to be familiar with pedestrian safety laws. When a pedestrian is crossing at a crosswalk, drivers must wait until the pedestrian has *completely* crossed the street and has reached the other side safely.
- When making a right-hand turn at a red light, it is important to come to a complete stop and check for pedestrians crossing the street. Also remember there are many "No Right on Red" turns in the Syracuse University area!

Protect your Property

All your personal belongings are insured against a wide range of losses. The SCIS supports this policy and we encourage every student to have this insurance.

- Laptops, cell phones, jewelry, watches, iPods, cameras, clothes, books, sports equipment, furniture **all** your "stuff" is covered. You're insured for countless types of losses, including theft, vandalism, fire, and accidental damage.
- Worldwide coverage on and **off** campus (in your apartment, in a foreign country, "at home", in storage, or anywhere else they may be).
- Property of the University is covered while in your care
- Buy \$4,000 of coverage for less than \$94! Also there is up to \$20,000 coverage available for an annual premium of only \$250.

For more information about our student personal property program, call

1-866-535-0456 and ask for a college specialist to assist you. Or better yet Enroll online! It's fast and easy. Simply log on to: www.haylor.com/student or send an e-mail to: student@haylor.com

For your safety, please remember...

- On campus after dark, use DPS' free escort service. Off campus, use SU Home (it's free); call 315-443-2224 for more information on these services. Additional options are Centro Bus or taxi service.
- Walk, bike or jog in groups of three or more — away from bushes, cars and other objects a suspect could hide behind.
- Look and listen. Headphones and cell phones can create tunnel vision.
- Travel in well-lighted and well-traveled areas.
- Don't approach strangers or let them get close to you.
- If you think someone is following you, switch directions or cross the street. Go toward an open business or lighted house.
- Have your house or car keys in hand before you reach your door.
- Know where "Blue Light" phones are and how to use them.
- If someone tries to rob you, don't resist. Give up your property, not your life.
- Try to get a description of the suspect(s) and any associated vehicle and tag number.
- IMMEDIATELY report emergencies or suspicious activities, persons and vehicles. For SU's Department of Public Safety, **dial 711** on campus or #78 (from a cell phone); for the Syracuse Police Department, **dial 911**

Your quick report may help prevent others from becoming victims.
