BOOK REVIEW

BOOKS RECEIVED
This book was written for lawyers, engineers, architects and insurance claims departments. It is a complete work on the subjects of responsibilities, liabilities and malpractice of architects/engineers. It reviews the various insurance coverages available and recommends specific malpractice avoidance techniques for engineers and architects to adopt in their respective practices.

For the lawyer, there is a comprehensive review of the nationwide authorities on these subjects along with information on how to represent engineers and architects in malpractice cases.

☐ Please send me ARCHITECTS and ENGINEERS, their professional responsibilities, and send the future supplements as published.
☐ In 15 days I will send $11.00 and $10.00 per month for 3 months.
☐ Payment of $40.00 enclosed. Shepard's to pay postage and handling.
