The Slutzker Center for International Services Welcomes all New and Returning International Students!

Dear Students,

As you open this first newsletter of the fall semester 2010, I would like to urge you to *review it carefully* and read those articles which might be relevant to you. We choose articles based upon the needs and questions students have presented to us daily, weekly, and annually. We answer the questions you ask before you ask them! Also included are warnings about safety issues, scams, parking and traffic concerns, and other aspects of your life as a student in Syracuse. If you at least spend 3 minutes reviewing the titles of all the articles each week, you will find that you will be well informed and *know what is happening on campus and in the community!* We appreciate your attention to this important part of the communication and education process in which you are engaged as a student in our community. We wish you a successful semester! Sincerely, Dr. Patricia Burak

Although rare, a fire drill or evacuation could be an opportunity for a thief to strike. To prevent someone from taking your irreplaceable documents and passports we recommend the following:

- Keep your documents in a secure location.
- Be able to access and take your documents with you quickly if you need to evacuate the building.
- A small safe, briefcase, folder or backpack maybe the best way to keep your documents organized.
- Rent a safety deposit box at your local bank (i.e.: HSBC, Chase, etc.)

You should never spend time searching for your documents in an emergency situation. REMEMBER, while you want to do your best to protect your valuable property, your personal safety is the highest importance in emergency!

Travelling During the Fall semester?

Have all Your Documents with you! If you are travelling within the U.S., you must still carry with you your passport, I-94 card and original I-20/DS-2019. The U.S. Border Patrol often inspects documents at train stations, bus stations, and airports. If you do not have your original documents, you could be fined \$100, or detained until your status can be verified.

If you are travelling outside the U.S., you must make sure you have a valid visa stamp to re-enter the U.S., as well as an unexpired passport valid for at least 6 months into the future, and a blue travel signature from SCIS on your I-20/DS-2019 within the last 1 year (or if you are on OPT, the last 6 months). If you are on OPT, you must also have a valid EAD card and job offer letter to re-enter the United States.

The Slutzker Center for International Services offers Travel Seminars every 1st and 3rd Wednesday of each month.

Worried that your flight might be delayed? Please contact your airline, the airport and check this website - <http://www.fly.faa.gov> (for more traveling tips please read below)

Applied for OPT ? The SCIS Needs a Copy of Your EAD Card!

The SCIS reminds all students who have applied for OPT that once you receive your Employment Authorization Card (EAD), please "scan the front and back of your EAD card" and e-mail us a copy of it to lescis@syr.edu.

Students who are planning to do an Internship this Fall semester should apply for Curricular Practical Training (CPT) Please remember that you have to register for at least 1 credit for CPT.

Curricular Practical Training Seminar (CPT) - Wednesday @ 3:00pm
Optional Practical Training Seminar (OPT) - Wednesday @ 3:45pm

Address Change?

You must always provide a current physical address to the SCIS in order to keep your SEVIS registration current and to maintain your lawful status. You have 10 days to inform the SCIS of any address changes or you are in violation of your status. http://international.syr.edu/address_update_opt.htm

International Student Support Group

What is a support group?

Being an international student is both an exciting and at times a challenging experience. A support group provides a venue to meet other international students who can share and relate to your experiences and concerns; you can receive both support and feedback on how to adjust to the local environment, cope with the difficulties, and achieve academic progress and personal growth through the semester. The group will be facilitated by Jacquie Ye and Susan Levy,

What do I talk about when I am in group?

International students who join these groups usually talk about their own unique reasons for coming to group. Students typically share about difficulties they experience in adjusting to the university culture, strategize together, and brainstorm about effective ways to cope, maintain a healthy balance, and improve one's quality of life.

Some common topics that past groups have covered include:

- ***Experiencing academic and research stressors***
- ***Issues with negotiation with professors/supervisors,***
- ***Homesickness, loneliness, coping with long-distance relationship***
- ***Language and communication barriers***
- ***Making friends or dating someone from a different culture***
- ***US cultural adjustment and shock, etc.***

Who are the facilitators?

The facilitators are Jacquie Ye and Susan Levy, counselors at the SU Counseling Center. Jacquie was born in China and Susan in South Africa. Having been international students themselves, they are enthusiastic about working with and providing support for other international students.

English will be the language that will be used. Any personal information shared in the group is confidential.

Please sign up at the Slutzker Center front desk. Space is limited.

If you are curious, have questions or are downright interested, please feel free to contact Jacquie Ye at hjye@syr.edu and Susan Levy at sulevy@syr.edu.

What he uncovers is truly shocking-water that can be lit on fire right out of the sink, chronically ill residents of drilling areas from disparate locations in the US all with the same mysterious symptoms, huge pools of toxic waste that kill cattle and vegetation well blowouts and huge gas explosions consistently covered up by state and federal regulatory agencies. Pedestrian Safety Tips

Stay safe while you're walking to campus. Here are some tips:

- Use sidewalks and paths whenever possible.
- Use crosswalks, and don't start walking until you see the "WALK" signal. Walk facing traffic so you can see vehicles as they approach, and they can see you.
- Always walk in groups of three or more!
- Remember, pedestrians only have the right-of-way if a driver sees them! As a driver, it is important to be familiar with pedestrian safety laws. When a pedestrian is crossing at a crosswalk, drivers must wait until the pedestrian has *completely* crossed the street and has reached the other side safely.
- When making a right-hand turn at a red light, it is important to come to a complete stop and check for pedestrians crossing the street. Also remember there are many "No Right on Red" turns in the Syracuse University area!

Protect your Property

The SCIS supports this policy and we encourage every student to have this insurance.

- Laptops, cell phones, jewelry, laptops, clothes, books, sports equipment, furniture **all** your "stuff" is covered. You're insured for countless types of loss, including theft, vandalism, fire, water, and accidental damage
- Worldwide coverage on and **off** campus
- Property of the University is covered while in your care
- Buy \$4,000 of coverage for less than \$95!

For more information about our student personal property program, call 1-800-289-1501 and ask for a college specialist. Or better yet Enroll online! It's fast and easy.

Simply log on to: www.haylor.com/student

For your safety, please remember...

- On campus after dark, use DPS' free escort service. Off campus, use SU Home (it's free); call 315-443-2224 for more information on these services. Additional options are Centro Bus or taxi service.
- Walk, bike or jog in groups of three or more — away from bushes, cars and other objects a suspect could hide behind.
- Look and listen. Headphones and cell phones can create tunnel vision.
- Travel in well-lighted and well-traveled areas.
- Don't approach strangers or let them get close to you.
- If you think someone is following you, switch directions or cross the street. Go toward an open business or lighted house.
- Have your house or car keys in hand before you reach your door.
- Know where "Blue Light" phones are and how to use them.
- If someone tries to rob you, don't resist. Give up your property, not your life.
- Try to get a description of the suspect(s) and any associated vehicle and tag number.
- IMMEDIATELY report emergencies or suspicious activities, persons and vehicles. For SU's Department of Public Safety, **dial 711** on campus or #78 (from a cell phone); for the Syracuse Police Department, **dial 911**

Your quick report may help prevent others from becoming victims.
