[Back>>](#)

November 14 - 18, 2011

International Education Week is an opportunity to celebrate the benefits of international education and exchange worldwide. This joint initiative of the U.S. Department of State and the U.S. Department of Education is part of our efforts to promote programs that prepare students for a global environment and attract future leaders from abroad to study, learn, and exchange experiences in the United States. The Slutzker Center will lead the 2011 International Education Week events at Syracuse University and in the Syracuse community from November 14-18<sup>th</sup>. Please contact Elane Granger Carrasco at [elcarras@syr.edu](mailto:elcarras@syr.edu) if you have any further questions.

New York Governor Andrew M. Cuomo has proclaimed Nov. 14-18, 2011 International Education Week in New York State. This proclamation comes at the request and advocacy efforts of a number of institutions and entities.

Come shopping at the Slutzker Center!

Seasons are changing, wardrobes change too so often when students leave Syracuse they don't need winter clothing anymore. Some clothing items for all seasons such as gloves, hats, scarfs, shirts, sweaters and pants will be available at the Slutzker Center as part of International Education Week on Thursday, Nov. 17 and Friday, Nov. 18 from 8:30am - 4:30pm at no cost. (FREE!)

**Survey for International Students:**

Dear International Students in Syracuse University,

Syracuse University Graduate Students, Chul Min Park and Olusola Ogundola are studying impact of international college students' English fluency on their online media use, and we need your help. We will conduct a brief survey with international students age 18 and older. The survey is designed to take no more than 5 minutes of your time to complete. Your answers will be confidential and no personal-identifier will be collected.

Each survey participant will become eligible to win a prize. Completion of the survey earns you entry into a lottery to win a one of five \$20 Amazon gift cards.

If you are age 18 or older and would like to be a part of this study, click on the following link to take our survey at SurveyGizmo. If you have any questions about the study, please contact Chul Min Park at [cpark17@syr.edu](mailto:cpark17@syr.edu) or Olusola John Ogundola at [ojogundo@syr.edu](mailto:ojogundo@syr.edu). Thank you for your cooperation.

**The Clock is Ticking on Some Practical Training Applications**

[Back>>](#)

F-1 students who will be graduating this December 2011 and plan to apply for post-completion Optional Practical Training (OPT) are reminded that they must submit their application paperwork to the Slutzker Center, and then send the processed documents to U.S. Citizenship and Immigration Services (USCIS) so that it is received at the USCIS no later than 60 days after their degree completion date, which this year is December 16, 2011.

F-1 students who have not yet begun the practical training application process are urged to do so soon so that you will have the best possible opportunity to obtain your employment authorization card (EAD) in a timely manner. Currently, it is taking the USCIS Service Centers approximately 70-90 days to process OPT employment authorization applications. Employment cannot begin until you have the card "in your hands."

- Also, a student in F-1 or J-1 status cannot be employed away from the Syracuse University campus unless they have obtained appropriate federal authorization to do so before employment can begin. This includes internships, research and volunteer work

**Celebrating Thanksgiving**

[Back>>](#)

Many cultures set aside a day to celebrate thanksgiving each year. In 1939, in the United States, President Franklin D. Roosevelt declared the fourth Thursday of November as Thanksgiving Day, a federal holiday in the United States. This was made federal law in 1941. It was intended to provide a day of reflection upon the good harvest, appreciation for the "fruits" of the land, and a time to gather with family and friends.

At Syracuse University, a traditional Thanksgiving dinner was held on the Sunday before Thanksgiving, co-sponsored by Hendricks Chapel and the Slutzker Center for International Services. International students and their families were invited, and hosts at each table came from across campus and the community.

This fall, a new academic calendar has been introduced. A full week of vacation for students begins after classes on Friday, November 18, and continues through Sunday, November 27. Anticipating the departure of many students and hosts, due to this vacation, the International Thanksgiving Meal will not be held. New ideas for the future will be discussed and planning for 2012 will soon begin. Anyone who is interested in helping to plan a new event for all students and families is invited to contribute to this planning process. Email [lescis@syr.edu](mailto:lescis@syr.edu) if you are interested in helping create a new student and community event for 2012.

If you are staying in Syracuse for that week of vacation, and would enjoy some planned activities, please let us know. We will be working through Wednesday, November 23, and we are interested in meeting your needs if you are remaining in the area. Perhaps a movie night? An organized trip to the mall? Let us know what you might be interested in doing during that week. If enough students express an interest, we will find some activities to keep you busy!

If you are travelling, please attend a travel seminar and obtain a travel signature on your Form I-20 or DS-2019. Dates and times of travel seminars are listed on our website: <http://international.syr.edu/>

Looking forward to hearing from some of you with great new ideas for future activities. In the meantime, enjoy Halloween, and just remember that semester break is only 7 weeks away!

### Full-time Course of Study

[Back>>](#)

**NOTE:** For Syracuse University F-1 students, a full-time course load is required during the Fall and Spring semesters. Full time enrollment means **Graduate** students must enroll for at least **9 credits** every semester. **Undergraduate** students must register for at least **12 credits** every semester. Students are not required to enroll in courses during the Summer. However, **if Summer session is your first semester** then you must maintain full time enrollment of at least 6 credits for that summer session.

Under Federal Immigration Rules, **to maintain F-1 status, no more than 3 online credits per semester may count towards the "full course of study" requirement.** For example, a graduate student required to register for 9 credits per semester to maintain full time status can take only 3 of those credits through an on-line class each semester – **6 credits must be live, in classroom courses.**

However, an F-1 student can take as many on-line or distance education as they wish (with SCIS's approval) during the Summer or over Winter break.

If it is your last semester and fewer than 12 credits are required to graduate for undergrads and 9 credits for grads; it is acceptable to carry only those credits required to complete your degree. **If a student needs less than a full course load in the final semester to finish his/her degree, the course(s) cannot be taken solely online or as distance education. You must be enrolled in a live, in classroom course during your last semester.**

Students considering on-line courses or courses at a different institution should first discuss the plan with an SCIS advisor. It is necessary to maintain valid F-1 status at all times.

-----

If you are taking fewer than 9 credits this semester you must fill out a Certificate of Full-Time Status [http://international.syr.edu/\\_documents/forms/full\\_time\\_status\\_certification-Jan04.pdf](http://international.syr.edu/_documents/forms/full_time_status_certification-Jan04.pdf)

If this is your last semester you will have to fill out the Last Semester Memo [http://international.syr.edu/\\_documents/forms/2008lastsemestermemo-su.pdf](http://international.syr.edu/_documents/forms/2008lastsemestermemo-su.pdf)

### Important Reminders

[Back>>](#)

#### A Reminder About Optional Practical Training EAD Cards

F-1 students who have obtained authorization for Optional Practical Training from the USCIS are reminded to please email a copy of their EAD cards (front + back) to the SCIS at [lescis@syr.edu](mailto:lescis@syr.edu) so that we can keep a copy for your files. Having a photocopy in the SCIS could become very important to you in the future, if we need to verify your F-1 status or if the card is lost or stolen.

#### Important Reminder from Human Resources

International students who have jobs on campus (GA positions, TA positions, RA positions and hourly wage assignments) are reminded to be sure to copy the appropriate Human Resources Office on campus for any change of U.S. address. Be sure to look at your address on your most recent pay stub. If it is not accurate, report it to your department or office where you work so that the address can be updated by your department. If you are on any payroll, your change of address is needed so that you can receive your W-2 Wage and Tax Statement forms in late January, as well as any checks that may be coming to you if you are leaving at the end of this semester.

Also, if you have obtained a social security number since starting work, it is essential that you report your social security number to your payroll office for W-2 purposes. If you are uncertain whether or not this is a problem for you, check your most recent pay stub, and look to see if your social security number as well as your current address are included properly.

### MEETING YOUR HEALTH REQUIREMENTS

[Back>>](#)

Please be certain that you are currently enrolled in an approved health insurance policy for the upcoming 2011 – 2012 academic year. If you have renewed or changed your health insurance please provide the Slutzker Center with an updated copy of it via e-mail [lescis@syr.edu](mailto:lescis@syr.edu) or in person. If you have questions, or need help enrolling in an approved health insurance policy, please make an appointment with an adviser at the Slutzker Center, or see Linda Deon at the Health Center for assistance.

Syracuse University Health Services has determined that many international students are not in compliance with immunization requirements defined by New York State public health law. Enrolled students found not to be in compliance risk strict administrative consequences including **inability to register, suspension of I.D. card privileges, and may be required to leave campus.**

You must be in compliance with these immunization requirements in order to remain on campus.

The Health Service will be sending an email to all those who are not in compliance via the syr.edu email address. Please watch for that notice (check your syr.edu email address!). If your registration is cancelled, you will also lose your F-1 or J-1 student status. Don't put yourself at risk. Contact the Health Service as soon as you receive that email!

### Transferring out of SU?

[Back>>](#)

If you are planning to transfer out of SU, the immigration regulatory process for **transferring** your F-1 status from Syracuse University to a new school in the United States requires you to complete a Transfer Out Form with the SCIS so that your federal SEVIS record can be transferred to your new school. The Transfer Out Form and more detailed information may be found on our website: <http://international.syr.edu/current-students/maintaining-visa-status/transfer-out.html>

### Is this your last semester at SU?

[Back>>](#)

Students who will be completing their studies this December but have no plans to apply for practical training (F-1), academic training (J-1) or continue at a new school or in a new field or level of study (i.e. Master's, J.D., Ph.D), or seek a change of non-immigrant status must depart the United States within 60 days of their academic program end date if they are in F-1 status (see item #5 on your current I-20), or within 30 days if they are in J-1 status.

### Studying Abroad?

[Back>>](#)

Planning to Study Abroad during the Spring 2011 semester? If so, please talk to an international advisor at the Slutzker Center soon. There are steps which you must take in order to insure your continued non-immigrant status for re-entry to the U.S.

## !Important Announcements!

[Back>>](#)

■ Although rare, a fire drill or evacuation could be an opportunity for a thief to strike. To prevent someone from taking your irreplaceable documents and passports we recommend the following:

- Keep your documents in a secure location.
- Be able to access and take your documents with you quickly if you need to evacuate the building.
- A small safe, briefcase, folder or backpack maybe the best way to keep your documents organized.
- Rent a safety deposit box at your local bank (i.e.: HSBC, Chase, etc.)

You should never spend time searching for your documents in an emergency situation. REMEMBER, while you want to do your best to protect your valuable property, your personal safety is the highest importance in emergency!

■ Students who are planning to do an Internship the Fall or Spring semester should apply for Curricular Practical Training (CPT) Please remember that you have to register for at least 1 credit for CPT. Curricular Practical Training Seminar (CPT) – Every 1<sup>st</sup> and 3<sup>rd</sup> Wednesday @ 3:00pm and every 2<sup>nd</sup> Friday at 3:00pm. Optional Practical Training Seminar (OPT) - Every 1<sup>st</sup> and 3<sup>rd</sup> Wednesday @ 3:45pm and every 2<sup>nd</sup> Friday at 3:45pm.

### Is Your I-20 or DS-2019 Expiring Soon? Do You Need an Extension of Stay?

This is the time of year when many international students whose I-20 or DS-2019 will expire this December, but who will be continuing their studies for Spring 2012, are applying for an extension of stay. Students who will begin a new level of study (e.g., completing bachelor's and commencing master's or completing master's and commencing PhD) receive a new I-20 for the new level of study. Changes in level of study require an admission letter from the Graduate School (if completing a bachelor's and commencing master's) or from the student's academic department (if completing master's and commencing PhD) verifying that the student has been approved for the new level of study, and the semester that the new level will begin.

Students with I-20s or DS-2019s expiring in December 2011 but who will continue their studies at SU **must** begin the extension of stay process (or change in level of study process) well before that date so that the new I-20 is issued before the I-20 expiration date.

Complete information and the required forms are available on-line at: [http://international.syr.edu/\\_documents/forms/I-20\\_Extension.pdf](http://international.syr.edu/_documents/forms/I-20_Extension.pdf)

### Don't Be Fooled by Copycat Immigration-Help Sites

[Back>>](#)

Some private websites that charge to prepare immigration forms mimic the look and feel of official government sites, leading users to mistakenly believe they are dealing directly with the government and paying USCIS fees. Many copycat sites add to the confusion by charging applicants the same amount for preparing an immigration form that USCIS charges for filing that same form. As a result, some applicants have sent forms to USCIS without submitting the filing fees. These applicants mistakenly believed they had paid the USCIS filing fee when they paid the private firm for preparing the forms.

To learn more, visit: <http://blog.uscis.gov/2011/09/dont-be-fooled-by-copycat-immigration.html>

### International Students and Arrests

[Back>>](#)

Although it is not a pleasant subject, there are a few situations where an international student might be arrested in the United States and charged with a crime. Common misdemeanor or felony arrests can include theft, drunk driving, shoplifting (stealing goods from a store without paying for them) and drug possession (with or without intent to sell).

Binghamton University has published an article that discusses the consequences such arrests can create with a student's U.S. immigration status, even if the charges themselves are dismissed or reduced. The article may be viewed at: <http://www2.binghamton.edu/jss/publications/instuarrest.html>

## Housing and Safety

[Back>>](#)

### Housing Update : Address Change

[Back>>](#)

#### Address Change?

All International Students and Scholars that will be moving into their new on-campus and off-campus housing must update their US Address where you will be living during this Fall semester via your "MySlice self-service" and select CURR address.

You must update your address immediately in order to be in compliance with the Immigration Regulations. If you do not update your address we will not be able to register your record with SEVIS and you will be jeopardizing your Immigration requirements to comply with reporting changes of addresses while you are here in the USA studying at Syracuse University.

**Please always update your address within 10 days of your move on MySlice.**

### Department of Public Safety Reminder

[Back>>](#)

#### FOR YOUR SAFETY, PLEASE REMEMBER:

- To safeguard your personal property—DO NOT LEAVE YOUR PROPERTY UNATTENDED
- On campus after dark, use DPS' free escort service. Off campus, use SU Home (it's free), call 443-SAFE (7233) for more information about these services.
- Centro Bus or taxi service.
- Walk, bike or jog in groups of three or more – away from bushes, cars, and other objects a suspect could hide behind.
- Look and listen. Headphones and cell phones can create tunnel vision.
- Travel in well-lighted and well-traveled areas.
- Keep porch lights on at night.
- Don't approach strangers or let them get close to you.
- If you think someone is following you, switch directions or cross the street. Go toward an open business or lighted house.
- Have your house or car keys in hand before you reach your door.
- Know where "Blue Light" phones are and how to use them.
- If someone tries to rob you, don't resist. Give up your property, not your life.
- Try to get a description of the suspect(s) and any associated vehicle & tag number.

The 2011 edition of "Your Safety and Security at Syracuse University" is part of Syracuse University's ongoing commitment to the prevention of crime. It is available online at: <http://publicsafety.syr.edu/PublicSafety/ckfinder/userfiles/files/2011%20Clery.pdf>

The booklet includes information on crime prevention, residential security, crime reporting policies, fire safety and crime statistics for the calendar years 2008, 2009, and 2010.

### Parking Regulations In University Neighborhoods – by OCCS

[Back>>](#)

#### Reminder: Parking Regulations In University Neighborhoods – by OCCS

Parking in the neighborhoods surrounding campus may be a new experience for some. To avoid ticketing and towing, and to help maintain the quality of life in the University area, members of the University community are reminded to observe city parking regulations.

Many city streets have alternate side (odd-even) parking, which takes effect at 6 p.m. On odd dates, parking begins at 6 p.m. on the side of the street with odd address numbers; on even dates, parking begins at 6 p.m. on the side with even-number addresses.

Parking illegally on a city street creates traffic hazards to motorists and pedestrians, obstructs vehicular and pedestrian traffic, prevents emergency vehicles from entering areas, and delays public services such as trash collection and snow removal. And parking on front lawns and across sidewalks is not only illegal, but also poses a safety threat to pedestrians who are forced to walk off the sidewalks.

To reduce and discourage illegal parking, the Syracuse Police Department will strictly enforce the parking regulations in the University area and will routinely conduct Ticket and Tow Operations in persistent violator areas.

Drivers should obey the posted parking regulations in order to avoid being ticketed and towed, and should be mindful that failure to respond to parking violations may result in collection agency involvement or other punitive action against the registrant and/or the vehicle.
