Shelter

Shelter is a British charity that campaigns to end homelessness and bad housing. Their logo uses the iconic shape of a house combined with the letter H to link the logo mark directly with the subject of the charity.

Child Poverty Action Group

Child Poverty Action Group is a leading charity campaigning for the abolishment of child poverty in the UK. Their logo represents the nature of a campaign with their name presented as a strong message and reminds us of placards often used in protests.

**Information:**

The Westcott Community Center is a nonprofit 501c(3) organization in Syracuse, NY. We are a community center that seeks to serve not only the local Westcott area, but the entire metropolitan Syracuse area.

Our goal is to provide a safe, accessible community space for activities and programs that meet community needs; strengthening and uniting the community by bringing together its diverse elements; and raising conscious awareness through public education, art and to promote the full inclusion of all persons.

We are a venue for classes, dramatic performances, celebrations, community meetings, and much more. We are funded through a variety of public and private sources and we welcome paid memberships and tax deductible donations as well.

**Volunteering at the Westcott Community Center:**

Thank you for supporting your local community center by volunteering here at the WCC. We appreciate all the time and effort you put in to helping this not-for-profit organization.

- Please fill out all paperwork correctly and legibly. All legal/school credit paperwork needs to be submitted with the WCC volunteer application.

- For the first day of your community service volunteering here at the Westcott Community Center, you will be in a probationary period. We will assess your skill level, attitude, motivation, and helpfulness. We will then let you know if you will be able to stay with us to complete your hours or we may ask you not to come back.

- If you do not show up for your scheduled community service/volunteering, you will not be able to return. Because we schedule projects and activities around the dates and times we have scheduled you to be here, we will not tolerate late or no-show volunteers.

- Please feel free to come and speak to the front office staff about any concerns or comments you have and we will do our best to accommodate you. We ask you to be considerate of any office staff and any people taking part in programming or activities.

We look forward to learning more about all our volunteers and working with you to help improve our community center and create a friendly and welcoming space.

Thank you for your support!

Youth Programming

The Westcott Community Center prides itself in providing quality, enriching, successful after-school programming.

The Westcott Kid’s Club is the Westcott Community Center’s after-school youth program for kids ages 8–14 years. The award-winning programs are provided at NO COST to participants. The Kids’ Club after-school program operates, following the Syracuse City School calendar, Monday – Friday from 2:15 – 5:30 pm. The program starts with a healthy snack, followed by homework help and targeted tutoring. We work on areas identified by each youth’s teacher and have achieved a 30% increase in report card scores in the targeted areas. This is followed by enrichment activity choices such as African dancing, computer lab, arts & crafts, cooking, digital video production & still photography, and many more. We partner with Syracuse University and Le Moyne College who provide students who assist in the delivery of these programs.
