**Global Game Jam**

[Back>>](#)

Friday, January 27, 2012, 3.00pm

The School of Education and the iSchool are partnering once again to host a site for the 2012 Global Game Jam (GGJ). The College of Arts and Sciences will also be joining us this year. GGJ brings together thousands of game enthusiasts participating through many local jams around the world. See GGJ trailer at <http://vimeo.com/34729381>. The idea is that participants (mostly students, but anyone over 18 can join in) create a game in 48 hours.

Reflecting on the increasing importance of board games in game design classes, the hosts of the event have once again added a board game design track to the traditional video game design track.

Do you have interest in participating? We had a modest but very successful event last year, and it was valuable to be there to witness first hand the various design and share ideas with teams. You don't need technical expertise; just a willingness to be engaged with the students and an interest in games. Teams will develop games over Friday evening, Saturday, and Sunday morning. Participants will contribute games to the Global Game Jam project to live alongside all of the other games made over the weekend from other venues around the world. We will come back together on Sunday afternoon and demonstrate what folks have made.

Further information about the event is at <http://globalgamejam.org/sites/2012/su-game-jam>. To register for the event go to <http://globalgamejam.org/user/register?destination=node%2F17328>

Submit your Practical Training application!

[Back>>](#)

An advisor will be able to process your CPT or OPT on one of the days listed below:

January 31, February 2, 7, from 10:00am - 12:00pm and February 9 from 1:00pm – 3:00pm

F-1 students who graduated this December 2011 and plan to apply for post-completion Optional Practical Training (OPT) are reminded that they must submit their application paperwork to the Slutzker Center, and then send the processed documents to U.S. Citizenship and Immigration Services (USCIS) so that it is received at the USCIS **no later than 60 days (by February 13, 2012)** after their degree completion date, which this year is December 16, 2011.

F-1 students who have not yet begun the practical training application process are urged to do so soon so that you will have the best possible opportunity to obtain your employment authorization card (EAD) in a timely manner. Currently, it is taking the USCIS Service Centers approximately 70-90 days to process OPT employment authorization applications. Employment cannot begin until you have the card "in your hands".

- Also, a student in F-1 or J-1 status cannot be employed away from the Syracuse University campus unless they have obtained appropriate federal authorization to do so before employment can begin. This includes internships, research and volunteering.

College of Law launches Master of Laws (LL.M.) program

[Back>>](#)

The Master of Laws (LL.M.) for foreign students at [Syracuse University College of Law](#) is a new 24-credit-hour graduate program designed to offer students with a foreign (non-U.S.) law degree or its equivalent, advanced study in American law. [Applications](#) are being accepted through May 15, 2012, for students entering in fall 2012.

"We believe in the international exchange of ideas and we are dedicated to welcoming students to this program from varied legal backgrounds and nations," says Aviva Abramovsky, associate professor of law, associate dean for special projects and director of the LL.M. program. "Whether you are seeking a comprehensive overview of the American system of laws or seek to specialize in concentrated areas of course work, our one-year LL.M. program will provide you with that knowledge and expertise."

In this one-year residential program, students will take two foundational courses together, one to introduce the students to basics of the American legal system, and a second in legal writing, with a third required research seminar of their choice. The remainder of the program allows students to tailor their own experience in the LL.M. from among the diverse courses offered at the College of Law.

The [Syracuse Law LL.M.](#) program is exclusively available to graduates in law from foreign academic institutions or those who are otherwise licensed to practice law in their home jurisdictions. Individuals from diverse legal backgrounds, including corporate, government and private practice, judicial and academic, are encouraged to apply.

Getting Serious About Snow in Syracuse

[Back>>](#)

-In the winter, major roadways receive priority, while secondary streets are plowed as soon as possible. The City of Syracuse operates a fleet of 40 plow and salt spreader trucks assisted by independent plow truck operators.

Sidewalk snow removal is the responsibility of each property owner. In most cases, if the owner doesn't live at the property, the tenant is responsible for keeping the sidewalk clear. **Clarify with your landlord about whose responsibility it is to remove the snow, especially while you are away.**

-Just a reminder, clearing of snow and ice from sidewalks is to be done by 6 pm following snow accumulation

-The Fire Department must keep hydrants clear of snow in case of emergency. Residents are asked to assist in this task whenever possible, especially during a heavy snowfall.

-During the winter, all parking regulations are strictly enforced by the City of Syracuse so that snow can be removed from the street. Your car will be towed if you are parked across the sidewalks or if you are in violation of the odd/even parking regulation. Call the 448-CITY for more information.

-Dress appropriately before going outdoors. The air temperature does not have to be below freezing for someone to experience cold emergencies such as hypothermia and frostbite. Wind speed can create dangerously cold conditions even when the temperature is not that low. Dress in layers so you can adjust to changing conditions. Avoid overdressing or overexertion that can lead to heat illness.

Most of your body heat is lost through your head so wear a hat, preferably one that covers your ears.

Mittens provide more warmth to your hands than gloves.

Wear waterproof, insulated boots to help avoid hypothermia or frostbite by keeping your feet warm and dry and to maintain your footing in ice and snow.

Get out of wet clothes immediately and warm the core body temperature with a blanket or warm fluids like hot cider or soup. Avoid drinking caffeine or alcohol if you expect you or someone you are trying to help has hypothermia or frostbite.

...an SU tradition

SYRACUSE UNIVERSITY
DIVISION OF STUDENT AFFAIRS

Senior Class Marshals are our most committed and thoughtful students. They serve as the all-university student representatives for graduation, and this year, we are expanding the role to more thoroughly reflect the significance of this honor. Marshals will now have the unique opportunity to participate in the following experiences:

- Meeting with senior-level University administrators to share and offer feedback on the SU experience
- Engaging in exclusive networking opportunities with alumni
- Representing the 2013 class at special University-wide events
- Helping to select the 2013 Commencement speaker
- Leading the entire Commencement procession at graduation

Therefore, marshals should be distinguished individuals who have excelled during their time at Syracuse, exemplify the spirit of the senior class, understand and have experienced Scholarship in Action, and exhibit excellent critical-thinking skills. The criteria used to determine qualified nominees include: scholarship, academic honors, student organization involvement, campus and community service, and new to this year's process, an essay soliciting the student's suggestions for engaging the SU community in Scholarship in Action. An online application form, the above-mentioned essay, nominations from two SU faculty or staff, and a copy of an official Syracuse University transcript are required.

In order to obtain the best nominees, we would appreciate your help in bringing this information to the attention of qualified students and to your colleagues. A poster is attached; please print and post as you are able.

NOTE: Applicants MUST be current juniors who will graduate in May of 2013 and who plan to be on campus during the entire 2012-2013 academic year. Application materials are available online at <http://seniormarshal.syr.edu>. The student's application (and faculty or staff nominations), along with essays and transcripts, must be submitted online by Friday, February 3.

Please contact the Office of Student Affairs at 443-4424 should you have any questions.

Thank you for your assistance in this process.

Full-time Course of Study

[Back>>](#)

NOTE: For Syracuse University F-1 students, a full-time course load is required during the Fall and Spring semesters. Full time enrollment means **Graduate** students must enroll for at least **9 credits** every semester. **Undergraduate** students must register for at least **12 credits** every semester. Students are not required to enroll in courses during the Summer. However, **if Summer session is your first semester** then you must maintain full time enrollment of at least 6 credits for that summer session.

Under Federal Immigration Rules, **to maintain F-1 status, no more than 3 online credits per semester may count towards the "full course of study" requirement.** For example, a graduate student required to register for 9 credits per semester to maintain full time status can take only 3 of those credits through an on-line class each semester – **6 credits must be live, in classroom courses.**

However, an F-1 student can take as many on-line or distance education as they wish (with SCIS's approval) during the Summer or over Winter break.

If it is your last semester and fewer than 12 credits are required to graduate for undergrads and 9 credits for grads; it is acceptable to carry only those credits required to complete your degree. **If a student needs less than a full course load in the final semester to finish his/her degree, the course(s) cannot be taken solely online or as distance education. You must be enrolled in a live, in classroom course during your last semester.**

Students considering on-line courses or courses at a different institution should first discuss the plan with an SCIS advisor. It is necessary to maintain valid F-1 status at all times.

If you are taking fewer than 9 credits this semester you must fill out a Certificate of Full-Time Status http://international.syr.edu/_documents/forms/full_time_status_certification-Jan04.pdf

If this is your last semester you will have to fill out the Last Semester Memo http://international.syr.edu/_documents/forms/2008lastsemestermemo-su.pdf

Important Reminders

[Back>>](#)

A Reminder About Optional Practical Training EAD Cards

F-1 students who have obtained authorization for Optional Practical Training from the USCIS are reminded to please email a copy of their EAD cards (front + back) to the SCIS at lescis@syr.edu so that we can keep a copy for your files. Having a photocopy in the SCIS could become very important to you in the future, if we need to verify your F-1 status or if the card is lost or stolen.

Important Reminder from Human Resources

International students who have jobs on campus (GA positions, TA positions, RA positions and hourly wage assignments) are reminded to be sure to copy the appropriate Human Resources Office on campus for any change of U.S. address. Be sure to look at your address on your most recent pay stub. If it is not accurate, report it to your department or office where you work so that the address can be updated by your department. If you are on any payroll, your change of address is needed so that you can receive your W-2 Wage and Tax Statement forms in late January, as well as any checks that may be coming to you if you are leaving at the end of this semester.

Also, if you have obtained a social security number since starting work, it is essential that you report your social security number to your payroll office for W-2 purposes. If you are uncertain whether or not this is a problem for you, check your most recent pay stub, and look to see if your social security number as well as your current address are included properly.

MEETING YOUR HEALTH REQUIREMENTS

[Back>>](#)

Please be certain that you are currently enrolled in an approved health insurance policy for the upcoming 2012 academic year. If you have renewed or changed your health insurance please provide the Slutzker Center with an updated copy of it via e-mail lescis@syr.edu or in person. If you have questions, or need help enrolling in an approved health insurance policy, please make an appointment with an adviser at the Slutzker Center, or see Linda Deon at the Health Center for assistance.

Syracuse University Health Services has determined that many international students are not in compliance with immunization requirements defined by New York State public health law. Enrolled students found not to be in compliance risk strict administrative consequences including **inability to register, suspension of I.D. card privileges, and may be required to leave campus.**

You must be in compliance with these immunization requirements in order to remain on campus.

The Health Service will be sending an email to all those who are not in compliance via the syr.edu email address. Please watch for that notice (check your syr.edu email address!). If your registration is cancelled, you will also lose your F-1 or J-1 student status. Don't put yourself at risk. Contact the Health Service as soon as you receive that email!

Is Your I-20 or DS-2019 Expiring Soon? Do You Need an Extension of Stay?

This is the time of year when many international students whose I-20 or DS-2019 will expire this May, but who will be continuing their studies for Summer 2012, are applying for an extension of stay. Students who will begin a new level of study (e.g., completing bachelor's and commencing master's or completing master's and commencing PhD) receive a new I-20 for the new level of study. Changes in level of study require an admission letter from the Graduate School (if completing a bachelor's and commencing master's) or from the student's academic department (if completing master's and commencing PhD) verifying that the student has been approved for the new level of study, and the semester that the new level will begin.

Student's with I-20s or DS-2019s expiring in May 2012 but who will continue their studies at SU **must** begin the extension of stay process (or change in level of study process) well before that date so that the new I-20 is issued before the I-20 expiration date.

Complete information and the required forms are available on-line at: http://international.syr.edu/_documents/forms/I-20_Extension.pdf

Don't Be Fooled by Copycat Immigration-Help Sites

[Back>>](#)

Some private websites that charge to prepare immigration forms mimic the look and feel of official government sites, leading users to mistakenly believe they are dealing directly with the government and paying USCIS fees. Many copycat sites add to the confusion by charging applicants the same amount for preparing an immigration form that USCIS charges for filing that same form.

As a result, some applicants have sent forms to USCIS without submitting the filing fees. These applicants mistakenly believed they had paid the USCIS filing fee when they paid the private firm for preparing the forms.

International Students and Arrests

[Back>>](#)

Although it is not a pleasant subject, there are a few situations where an international student might be arrested in the United States and charged with a crime. Common misdemeanor or felony arrests can include theft, drunk driving, shoplifting (stealing goods from a store without paying for them) and drug possession (with or without intent to sell).

Binghamton University has published an article that discusses the consequences such arrests can create with a student's U.S. immigration status, even if the charges themselves are dismissed or reduced. The article may be viewed at: <http://www2.binghamton.edu/iss/publications/instuarrest.html>

Housing Update : Address Change

[Back>>](#)

Address Change?

All International Students and Scholars that will be moving into their new on-campus and off-campus housing must update their US Address where you will be living during this Fall semester via your **"MySlice self-service"** and select CURR address.

You must update your address immediately in order to be in compliance with the Immigration Regulations. If you do not update your address we will not be able to register your record with SEVIS and you will be jeopardizing your Immigration requirements to comply with reporting changes of addresses while you are here in the USA studying at Syracuse University.

Please always update your address within 10 days of your move on MySlice.

Parking Regulations In University Neighborhoods – by OCCS

[Back>>](#)

Reminder: Parking Regulations In University Neighborhoods – by OCCS

Parking in the neighborhoods surrounding campus may be a new experience for some. To avoid ticketing and towing, and to help maintain the quality of life in the University area, members of the University community are reminded to observe city parking regulations.

Many city streets have alternate side (odd-even) parking, which takes effect at **6 p.m. On odd dates, parking begins at 6 p.m. on the side of the street with odd address numbers; on even dates, parking begins at 6 p.m. on the side with even-number addresses.**

Parking illegally on a city street creates traffic hazards to motorists and pedestrians, obstructs vehicular and pedestrian traffic, prevents emergency vehicles from entering areas, and delays public services such as trash collection and snow removal. And parking on front lawns and across sidewalks is not only illegal, but also poses a safety threat to pedestrians who are forced to walk off the sidewalks.

To reduce and discourage illegal parking, the Syracuse Police Department will strictly enforce the parking regulations in the University area and will routinely conduct Ticket and Tow Operations in persistent violator areas.

Drivers should obey the posted parking regulations in order to avoid being ticketed and towed, and should be mindful that failure to respond to parking violations may result in collection agency involvement or other punitive action against the registrant and/or the vehicle.
