Secretary of State Clinton to visit Maxwell School, speak at Hendricks

April 19, 2012

Jill Leonhardt
(315) 443-5492

U.S. Secretary of State Hillary Rodham Clinton will visit the Maxwell School and the Syracuse University campus on Monday, April 23, to meet with students and then engage in a policy conversation entitled "America and the World" with Maxwell School Dean James Steinberg. Steinberg served as Clinton's Deputy Secretary of State until joining Maxwell as dean last summer.

The event at Hendricks Chapel will take place at noon and is free and open to the public. Seating is first come, first served. The doors will open at 9:45 a.m., and guests must be seated by 11:15. All guests are subject to security screening. Backpacks and large bags are discouraged and will be subject to additional security screening.

The secretary's talk with Dean Steinberg will be streamed live at <http://www.maxwell.syr.edu>.

SU vs. UConn Blood Battle[Back>>](#)

Students, faculty and staff at Syracuse University and University of Connecticut will compete in the annual "Are you up for the challenge?: Give Blood" competition during the month of April, which is also blood drive month for the American Red Cross. For the third year, the competition determines which school donates the most pints of blood. UConn won the challenge in 2010; SU won in 2011. The winner is determined by the ratio of enrollment to participation. To schedule an appointment to donate blood, call 315-233-6010.

Blood drives on campus:

- April 24: Watson Hall 10 a.m.-4 p.m.
- April 30: SU Schine Student Center 11:30 a.m.-5:30 p.m.

Not everyone is eligible to donate blood, and blood donation is not the only way to support this event. If you are interested in volunteering, in lieu of donating blood, please call 315-233-6010 for volunteer opportunities.

Full-time Course of Study

[Back>>](#)

NOTE: For Syracuse University F-1 students, a full-time course load is required during the Fall and Spring semesters. Full time enrollment means **Graduate** students must enroll for at least **9 credits** every semester. **Undergraduate** students must register for at least **12 credits** every semester. Students are not required to enroll in courses during the Summer. However, **if Summer session is your first semester** then you must maintain full time enrollment of at least 6 credits for that summer session.

Under Federal Immigration Rules, **to maintain F-1 status, no more than 3 online credits per semester may count towards the "full course of study" requirement.** *For example,* a graduate student required to register for 9 credits per semester to maintain full time status can take only 3 of those credits through an on-line class each semester – **6 credits must be live, in classroom courses.**

However, an F-1 student can take as many on-line or distance education as they wish (with SCIS's approval) during the Summer or over Winter break.

If it is your last semester and fewer than 12 credits are required to graduate for undergrads and 9 credits for grads; it is acceptable to carry only those credits required to complete your degree. **If a student needs less than a full course load in the final semester to finish his/her degree, the course(s) cannot be taken solely online or as distance education. You must be enrolled in a live, in classroom course during your last semester.**

Students considering on-line courses or courses at a different institution should first discuss the plan with an SCIS advisor. It is necessary to maintain valid F-1 status at all times.

If you are taking fewer than 9 credits this semester you must fill out a Certificate of Full-Time Status http://international.syr.edu/documents/forms/full_time_status_certification-Jan04.pdf

If this is your last semester you will have to fill out the Last Semester Memo <http://international.syr.edu/documents/forms/2008lastsemestermemo-su.pdf>

Important Reminders

[Back>>](#)

A Reminder About Optional Practical Training EAD Cards

F-1 students who have obtained authorization for Optional Practical Training from the USCIS are reminded to please email a copy of their EAD cards (front + back) to the SCIS at lescis@syr.edu so that we can keep a copy for your files. Having a photocopy in the SCIS could become very important to you in the future, if we need to verify your F-1 status or if the card is lost or stolen.

Important Reminder from Human Resources

International students who have jobs on campus (GA positions, TA positions, RA positions and hourly wage assignments) are reminded to be sure to copy the appropriate Human Resources Office on campus for any change of U.S. address. Be sure to look at your address on your most recent pay stub. If it is not accurate, report it to your department or office where you work so that the address can be updated by your department. If you are on any payroll, your change of address is needed so that you can receive your W-2 Wage and Tax Statement forms in late January, as well as any checks that may be coming to you if you are leaving at the end of this semester.

Also, if you have obtained a social security number since starting work, it is essential that you report your social security number to your payroll office for W-2 purposes. If you are uncertain whether or not this is a problem for you, check your most recent pay stub, and look to see if your social security number as well as your current address are included properly.

MEETING YOUR HEALTH REQUIREMENTS

[Back>>](#)

Please be certain that you are currently enrolled in an approved health insurance policy for the 2012 academic year. If you have renewed or changed your health insurance please provide the Slutzker Center with an updated copy of it via e-mail lescis@syr.edu or in person. If you have questions, or need help enrolling in an approved health insurance policy, please make an appointment with an adviser at the Slutzker Center, or see Linda Deon at the Health Center for assistance.

Syracuse University Health Services has determined that many international students are not in compliance with immunization requirements defined by New York State public health law. Enrolled students found not to be in compliance risk strict administrative consequences including **inability to register, suspension of I.D. card privileges, and may be required to leave campus.**

You must be in compliance with these immunization requirements in order to remain on campus.

The Health Service will be sending an email to all those who are not in compliance via the syr.edu email address. Please watch for that notice (check your syr.edu email address!). If your registration is cancelled, you will also lose your F-1 or J-1 student status. Don't put yourself at risk. Contact the Health Service as soon as you receive that email!

Transferring out of SU?

[Back>>](#)

If you are planning to transfer out of SU, the immigration regulatory process for **transferring** your F-1 status from Syracuse University to a new school in the United States requires you to complete a Transfer Out Form with the SCIS so that your federal SEVIS record can be transferred to your new school. The Transfer Out Form and more detailed information may be found on our website: <http://international.syr.edu/current-students/maintaining-visa-status/transfer-out.html>

Is this your last semester at SU?

[Back>>](#)

Students who will be completing their studies this May but have no plans to apply for practical training (F-1), academic training (J-1) or continue at a new school or in a new field or level of study (i.e. Master's, J.D., Ph.D), or seek a change of non-immigrant status must depart the United States within 60 days of their academic program end date if they are in F-1 status (see item #5 on your current I-20), or within 30 days if they are in J-1 status.

Studying Abroad?

[Back>>](#)

Planning to Study Abroad during the Summer 2012 semester? If so, please talk to an international advisor at the Slutzker Center soon. There are steps which you must take in order to insure your continued non-immigrant status for re-entry to the U.S

IMMIGRATION UPDATES[Back>>](#)**USCIS FY 2012 H-1B Cap Count****FY 2012 H-1B Cap Count**

The U.S. Citizenship and Immigration Services (USCIS) announced that it received a sufficient number of H-1B petitions to reach the statutory cap for fiscal year (FY) 2012. USCIS notified the public that November 22, 2011 was the final receipt date for new H-1B specialty occupation petitions for FY2012. USCIS will reject cap-subject H-1B petitions that arrived after November 22, 2011.

H-1B petitions reached the statutory cap for the past fiscal years: (FY) 2011 on Jan. 26, 2011
 (FY) 2010 on Dec. 21, 2009
 (FY) 2009 on April 7, 2008
 (FY) 2008 on April 2, 2007

USCIS has started to accept H-1B petitions subject to the fiscal year (FY) 2013 cap as of April 1, 2012. There already have been 22,323 petitions received.

FY 2013 H-1B Cap Count

Is Your I-20 or DS-2019 Expiring Soon? Do You Need an Extension of Stay?

This is the time of year when many international students whose I-20 or DS-2019 will expire this May, but who will be continuing their studies for Summer 2012, are applying for an extension of stay. Students who will begin a new level of study (e.g., completing bachelor's and commencing master's or completing master's and commencing PhD) receive a new I-20 for the new level of study. Changes in level of study require an admission letter from the Graduate School (if completing a bachelor's and commencing master's) or from the student's academic department (if completing master's and commencing PhD) verifying that the student has been approved for the new level of study, and the semester that the new level will begin.

Students with I-20s or DS-2019s expiring in May 2012 but who will continue their studies at SU **must** begin the extension of stay process (or change in level of study process) well before that date so that the new I-20 is issued before the I-20 expiration date.

Complete information and the required forms are available on-line at: http://international.syr.edu/_documents/forms/I-20_Extension.pdf

Don't Be Fooled by Copycat Immigration-Help Sites[Back>>](#)

Some private websites that charge to prepare immigration forms mimic the look and feel of official government sites, leading users to mistakenly believe they are dealing directly with the government and paying USCIS fees. Many copycat sites add to the confusion by charging applicants the same amount for preparing an immigration form that USCIS charges for filing that same form.

As a result, some applicants have sent forms to USCIS without submitting the filing fees. These applicants mistakenly believed they had paid the USCIS filing fee when they paid the private firm for preparing the forms.

To learn more, visit: <http://blog.uscis.gov/2011/09/dont-be-fooled-by-copycat-immigration.html>

International Students and Arrests[Back>>](#)

Although it is not a pleasant subject, there are a few situations where an international student might be arrested in the United States and charged with a crime. Common misdemeanor or felony arrests can include theft, drunk driving, shoplifting (stealing goods from a store without paying for them) and drug possession (with or without intent to sell). Binghamton University has published an article that discusses the consequences such arrests can create with a student's U.S. immigration status, even if the charges themselves are dismissed or reduced. The article may be viewed at: <http://www2.binghamton.edu/iss/publications/instuarrest.html>

Housing and Safety

Housing Update : Address Change

[Back>>](#)

Address Change?

All International Students and Scholars that will be moving into their new on-campus and off-campus housing must update their US Address where you will be living during this Fall semester via your "**MySlice self-service**" and select CURR address.

You must update your address immediately in order to be in compliance with the Immigration Regulations. If you do not update your address we will not be able to register your record with SEVIS and you will be jeopardizing your Immigration requirements to comply with reporting changes of addresses while you are here in the USA studying at Syracuse University.

Please always update your address within 10 days of your move on MySlice.
