Intertext is a publication of the Syracuse University Writing Program. It features the work of Writing Program students and represents the quality and variety of writing produced in its undergraduate courses.

The Louise Wetherbee Phelps Award recognizes excellence in writing in the Writing Program's courses. Submissions are evaluated on depth, complexity, technical control, emotional and intellectual appeal, and how well they reflect the goals of the Writing Program. The 2013 winners are Red Thomas for “Smoke Break” and Annemarie Menna for “Ari Folman's Ethical, Psychic Warzone.”
