

# DREAM WEAVER

STEVE SARTORI

**A** Syracuse University degree in nutrition science helped make Virginia C. Simons' dreams come true. The 1942 graduate is helping make dreams possible for a new generation of students. Her donations have provided scholarships and faculty awards and allowed the College for Human Development to purchase state-of-the-art equipment like the computerized loom pictured above. Such technology improves the college experience and makes students eminently more qualified for the working world.

Virginia C. Simons' generosity hasn't stopped there—she'll continue fueling dreams through generous bequests in her will.

# The Official Syracuse University Grandfather Clock

The Syracuse University Alumni Association is proud to offer the Official Syracuse University Grandfather Clock. This beautifully designed commemorative clock symbolizes the image of excellence, tradition, and history we have established at Syracuse University.

Recognized the world over for expert craftsmanship, the master clockmakers of Ridgeway have created this extraordinary clock.

Special attention is given to the brass lyre pendulum which depicts the Official University Seal in deeply etched bas relief; a striking enhancement to an already magnificent clock. Indeed, the clock makes a classic statement of quality about the owner.

Each cabinet is handmade of the finest hardwoods and veneers in a process that requires over 700 separate steps and the towering clock measures an imposing 83"H x 23"W x 13"D. Finished in brilliant Windsor Cherry, the clock is also enriched with one of the most advanced West German timing mechanisms. Exceptionally accurate, such movements are found only in the world's finest clocks.

Enchanting Westminster chimes peal every quarter hour and gong on the hour. If you prefer, the clock will operate in a silent mode with equal accuracy. Beveled glass in the locking pendulum door and the glass dial door and sides add to the clock's timeless and handsome design.
