Pioneers

Facing page: Applauded—and lauded—by such music industry notables as David Bowie and U2’s frontman, Bono, rock and roll legend Lou Reed ’64 received the George Arents Pioneer Medal, SU’s highest alumni honor. The event also marked the establishment of the Lou Reed/Delmore Schwartz Scholarship honoring Reed and his Creative Writing professor and mentor, Delmore Schwartz. Reed earned his B.A. with honors from SU.

Below: Mary McAleese, president of Ireland, visited Syracuse for an afternoon of events marking the culmination of the School of Education’s Centennial Year Celebration. During her visit, she addressed the Central New York community in a speech given at Hendricks Chapel, which was webcast live; met with students and staff during a tour of the SU College of Law’s Disability Rights Clinic in MacNaughton Hall; and placed flowers at the Place of Remembrance in honor of the 35 SU students who died in the bombing of Pan Am Flight 103 over Lockerbie, Scotland. As a gift from Syracuse University, McAleese was presented with a piece of original artwork by local Native American artist Tammy Tarbell-Boehning ’80, a Mohawk and resident of Onondaga.
