SHOW YOUR

SYRACUSE PRIDE AND SPIRIT

WITH THE SNOWMAN

The Syracuse Snowman flag is 100 percent polyester, mildew and fade resistant, and measures 24" x 36". It's manufactured by Toland Enterprises, which is owned by Jill Bilas Sands '65 and David Sands '63.

Warren Kimble '57 in his Vermont studio.

Our own Warren "Cookie" Kimble '57 has designed a wonderful snowman just for us! Kimble, a former head SU cheerleader and now world-renowned folk artist living in Brandon, Vermont, is sharing his whimsical outlook and love of SU with fellow alumni and the University's many friends and fans.

The Syracuse Snowman is scheduled to appear on flags, posters, and many other items available at the Syracuse University Bookstore or through the bookstore's web site at www.syracuse.edu/bkst. The Office of Alumni Relations web site at www.syracuse.edu/alumni also has a link to the bookstore site.

Proceeds from the sale of Syracuse Snowman items benefit the Alumni Relations endowment.
