

*Become part of the tradition...*

## Announcing the premiere of the Syracuse University Official Class Ring

Syracuse University invites you to participate in one of its newest traditions: wearing the Syracuse University Official Ring. This ring serves as a symbol of pride and accomplishment and captures the very essence of campus life at Syracuse University. It is reserved exclusively for SU alumni and current students who have met the University's high academic standards.

Through June 30, 2003, Syracuse University alumni may participate in a trade-in opportunity.

Be the next proud owner of the Syracuse University Official Ring and become a part of the Syracuse University tradition.
