

## UPDATE YOUR CONTACT INFO TODAY!

Lectures. Tours. Art exhibitions. Pre-game festivities. There are so many exciting things for SU alums to do—and not just on campus, but around the country, including alumni get-togethers in your area where you can have fun and network, too.

That's why it's important to keep your e-mail and snail-mail addresses up to date. When you do, we can keep invitations coming your way, so you don't miss out on great opportunities to share your Orange pride with your fellow alums.

To update your contact information, just go to our Alumni Online Community at [alumni.syr.edu/olc](http://alumni.syr.edu/olc). While you're there, check out the other things you can do online, like search the directory for long-lost friends, post your photo, and submit your news to Class Notes.

Tied to your Blackberry? Update your info by e-mailing it to [records@syr.edu](mailto:records@syr.edu). But no matter how you do it, do it today!
