FEATURES

20 | Vanishing Cultures

Newhouse alumni Taylor Weidman and Nina Wegner document threatened indigenous communities as a way to make the world aware of their plights and to preserve their traditions.

28 | Operation Compassionate Care

As the trauma of war takes its toll, social workers stand at the forefront of helping soldiers, veterans, and their families overcome difficult challenges.

34 | Cultural Landmark

For four decades, the Community Folk Art Center has nurtured artists of the African Diaspora and served as a welcoming creative space for Syracuse residents of all ages.

40 | Commencement 2012

Photographs and highlights of the University's 158th Commencement.
