

## CELEBRATING 144 YEARS

ON NATIONAL ORANGE DAY, March 24, members of the University community—on campus and far and wide—celebrated SU’s 144th birthday. Among the events was an evening gathering on the Shaw Quad, where Orange enthusiasts, equipped with glow sticks, joined with Otto and configured themselves into a “144.” For more on this special day, go to [celebratesu.syr.edu](http://celebratesu.syr.edu).
