PARKING PROBLEMS?

Oops. Last semester more than 10,000 people found parking tickets waiting for them under their windshield wipers on the SU campus.

THE ORANGE AND IRISH

SU is the only school in the United States to earn both a football bowl game bid and an NCAA basketball tournament berth in each of the last five years. Additionally, only two major colleges rank in the top 15 in all-time wins in both football and basketball—SU and Notre Dame.

THE TOP 8 AT 9

At the end of May, the top songs requested for the 9 o'clock countdown on campus radio station, WJPZ, better known as Z89, were:

8. *Tennessee* by Arrested Development
7. *They Want the Effects* by Dos Effects
6. *The Best Things in Life are Free* by Janet Jackson and Luther Vandross
5. *Warm it Up* by Kriss Kross
4. *Under the Bridge* by The Red Hot Chili Peppers
3. *Jump* by Kriss Kross
2. *I'll Be There* by Mariah Carey
1. *Baby Got Back* by Sir Mix-A-Lot

THEN AND NOW

Through the years, SU students have headed into the Varsity and hung out in the booths to savor the pizza and chicken wings. Today's stu-

dents enjoy the same experience... well, almost the same. In 1970, a slice of Varsity pizza cost 30 cents. Today, it's 90 cents. The price of Varsity's famous chicken wings has also risen—from \$1.25 a dozen in 1975 (when they first started selling the Buffalo-style fare) to \$3.50.

MORE MONEY, MORE FOOTBALL

Orange football fans everywhere will be able to watch selected Syracuse games on ABC Sports through the network's pay-per-view coverage. If ABC is televising an SU game to some portion of the nation other than yours, you can still watch SU play for a \$10 fee. For more information, call the Orange Pack office at (315) 443-2054.

Those living in New York state can watch Syracuse road games against East Carolina on September 5 and Louisville on October 3 through another pay-per-view service. Those interested should contact their local cable companies.

DOME DOERS

Thousands of fans head into the Carrier Dome each year, whether it be for sporting events, concerts, or otherwise. The following ticket sales were recorded for the 1991-92 season:

- 760 season tickets for lacrosse
- 24,200 season tickets for basketball
- 35,000 season tickets for football
- 65,000 tickets for a two-night concert appearance by Genesis

ORANGE DEADHEADS

According to *Esquire* magazine, ASU has one of the highest concentrations of Grateful Dead fans at American universities. Other schools with lots of Dead fans include SUNY Binghamton, University of California Berkeley, Lehigh University, and the University of Colorado. Keep truckin', kids.

RARE COMICS

Even ink, pencil, and watercolor drawings of Richard Felton Outcault's "Yellow Kid," America's first comic strip character, were recently found in the Bird Library archives. The historic illustrations are believed to be the largest collection of "Yellow Kid" artwork in existence, and include an original design for the comic strip's first edition, published March 20, 1897.

THE ORANGE IN BARCELONA

Syracuse University was represented at the Summer Olympics in Barcelona by three U.S. competitors: wrestler Chris Campbell, a 37-year-old volunteer assistant wrestling coach at SU; discus thrower Tony Washington, a 1990 graduate of the College of Visual and Performing Arts; and Tracey Rude, a 1991 magazine journalism graduate and member of the United States women's crew team.
